- **Use:** Intended for uniform wear or ceremonial display as the tubular rank for the specified grade.
- **Design:** Elegant, understated styling that reflects the authority and role of the rank.
- **Condition:** Durable construction to maintain an impeccable look in demanding conditions.

Product description:

Product overview

The Tubolari 1° Maresciallo Nocchiere di Porto Marina Militare are a pair of rank tubolari (sleeve

insignia) made for active personnel of the Marina Militare. These plastic tubolari identify the rank of 1° Maresciallo Nocchiere di Porto and are intended for use on service uniforms by navy personnel.

Definition: A tubolare is a sleeve-mounted rank insignia used on naval uniforms. Built for durability, this item is suitable for duty wear, ceremonial use, and for verified military surplus collectors under the proper authorization.

Main features

Practical, clearly marked rank insignia with a traditional naval design that fits standard uniform placement. Useful for duty, formal occasions, and regulated collection.

- **Material:** Durable high-quality plastic designed for long service life and resistance to normal wear.
- **Design:** Blue background with three gold rails streaked with black, edged in red, and topped by two crossed anchors (Nocchiere di Porto category).
- **Dimensions:** Pair measures 6 cm width x 9.5 cm height.
- **Intended users:** Reserved for active Marina Militare personnel; collectors may purchase with the required license.
- **Use cases:** Suitable for duty uniforms, ceremonial wear, and controlled military surplus collections.

How to use / When it’s useful

Quick answer: Wear these tubolari on the appropriate sleeve position of the Marina Militare uniform to show the rank of 1° Maresciallo Nocchiere di Porto. They are designed for visible, long-term use on service clothing.

In most cases: personnel use them for daily duty, formal events, and inspections; verified collectors keep them as part of a regulated military surplus collection. They also serve well for replacement of worn insignia and for display in a certified collection or uniform set.

Care and notes

Basic care and purchasing notes to keep the tubolari in good condition and ensure compliance with sales rules.

- Clean with a soft, damp cloth; avoid solvents and abrasive cleaners.
- Store flat in a dry place away from prolonged direct heat or sunlight to preserve color and shape.
- Sale is reserved to active Marina Militare personnel: purchase requires a copy of the tesserino mod. AT or entering the barracks address as the delivery location during registration/checkout.

- Collectors may buy only after sending the prefectoral license required by art. 28 TULPS.

FAQ

Q: Who can buy the Tubolari 1° Maresciallo Nocchiere di Porto Marina Militare?

A: Only active Marina Militare personnel may purchase these tubolari, subject to verification by providing a copy of the tesserino mod. AT or the service barracks address at checkout.

Q: What are the exact dimensions?

A: The pair measures 6 cm in width and 9.5 cm in height (6 cm L x 9.5 cm H).

Q: What material are they made from?

A: They are made from durable, high-quality plastic designed to withstand regular duty use and maintain their appearance.

Q: How do I prove my eligibility to buy?

A: Provide a copy of your tesserino mod. AT or enter your barracks as the delivery address during site registration or checkout. This confirms active service status.

Q: Can collectors purchase these tubolari?

A: Yes, collectors can buy them only after sending the required prefectoral license under art. 28 TULPS to verify legal ownership for collectors.

Q: Are these suitable for everyday duty and ceremonial wear?

A: Yes. They are intended for use on service uniforms for both everyday duty and formal occasions, provided the wearer is authorized to display this rank.

Tip: Choose the correct sleeve placement and confirm eligibility documents before checkout; also browse related uniform insignia and authorized accessories to complete your set, including approved tactical and duty items often sought by military surplus collectors.
