Product short description:

The Nastrino Carabinieri per Croce Rossa Kosovo is a commemorative ribbon for Carabinieri personnel who served with the Croce Rossa in Kosovo. It recognizes participation in humanitarian and peace-support missions and is suitable for wear on uniforms and formal attire.

- **Material:** Made from high-quality materials for a neat, durable appearance.
- **Purpose:** Recognition of service with Croce Rossa Kosovo during humanitarian and peace operations.
- **Wear:** Designed to be worn on uniforms and formal dress with respect and pride.
- **Symbolism:** A tribute to dedication, solidarity and service to affected communities.

Product description:

Product overview

The Carabinieri ribbon for the Kosovo Red Cross is a commemorative ribbon for members of the Carabinieri who served in humanitarian or peace support missions in Kosovo. It is aimed at military personnel, police duty members, veterans, and collectors of military surplus or tactical memorabilia.

Definition: This is a 37 mm regulation-style service ribbon (also offered in a slightly domed "Elite"

finish) that can be supplied with or without a ribbon bar mount. It is suitable for display on service uniforms, dress kits, or in a collection.

Main features

Clear, regulation-sized ribbon with optional mount and packaging choices suitable for service wear or display.

- **Regulation size:** 37 mm standard format.
- **Elite variant:** Slightly domed option for a refined appearance.
- **Mount options:** Available with a ribbon bar mount fitted with either rear clamp or screw attachments.
- **Buy separately:** Ribbon can be purchased alone or together with the selected mount.
- **Multi-holder packing:** Can be arranged on two-or-more place metal bases to house multiple ribbons on one bar.

How to use / When it’s useful

Use this ribbon on a service or dress uniform to recognize participation in Kosovo humanitarian missions, or add it to a military surplus or duty gear collection for display. It fits standard 37 mm ribbon bars and mounts used by Carabinieri and similar corps.

Quick answer: choose the plain flat 37 mm ribbon for standard wear or the Elite domed version for a slightly more refined look. In most cases, select the mount style (clamp or screws) that matches your existing uniform fittings or display preferences.

Care and notes

Simple care keeps the ribbon presentable for wear or display; choose packing options according to how you plan to mount or store it.

- Keep the ribbon dry and avoid prolonged exposure to sunlight to prevent fading.
- Handle the mount hardware gently to avoid scratching the metal base.
- Stock is limited due to high demand—confirm availability before ordering.

FAQ

Q: What size is the ribbon?

A: The ribbon is supplied in the regulation 37 mm format, suitable for standard ribbon bars and mounts.

Q: Can I buy the ribbon without a mount?

A: Yes. You can purchase the ribbon alone or add a ribbon bar mount at checkout, depending on your needs.

Q: What mount attachment options are available?

A: Mounts are offered with a rear clamp (morsetto) or with screw attachments; choose the option that matches your uniform or display hardware.

Q: Is there a version for multiple ribbons on one base?

A: Yes. We can pack this ribbon on multi-place metal ribbon bars that hold two or more ribbons side by side for combined display.

Q: How long does delivery take?

A: Delivery times vary by availability and shipping method chosen at checkout. Check the product availability at the time of purchase for current lead times.

Q: Is the Elite variant different in size or only in shape?

A: The Elite variant keeps the same 37 mm size but has a slightly domed finish for a different visual profile; function and fit remain the same.

Tip: Choose the ribbon variant and mount that match your uniform or collection needs, and consider multi-holder packaging if you display several ribbons together. Browse related tactical and military surplus items to complete your display or duty kit.
