Product short description:

The "Patch ROS Carabinieri" is a distinctive embroidered badge representing the pride and dedication of the Reparto Operativo Speciale (ROS). Intended for collectors, law-enforcement enthusiasts and those who wish to show respect for the Carabinieri.

- **Material:** Made from high-quality fabric with durable stitching.
- **Use:** Suitable for application on jackets, backpacks or caps.
- **Design:** Detailed motif and vivid colours honoring professionalism and courage.
- **Purpose:** Ideal for collectors or anyone wanting a piece of Carabinieri history.

Product description:

Product overview

The ROS Carabinieri Embroidered Patch is a Velcro-backed emblem designed for active Carabinieri personnel and licensed collectors who need an authentic-looking unit patch. It is a tactical, duty-style patch that represents the Raggruppamento Operativo Speciale (ROS) of the Carabinieri.

Definition: a 9 cm diameter embroidered badge with a black background, flying eagle and grenade motif, gold border and red "ROS" marking. Suitable for tactical uniforms, military surplus collections and police duty gear.

Main features

High-quality embroidered construction and a secure Velcro backing make this patch suitable for operational use or display. Key features include:

- **Distinctive design:** black field with a flying eagle and grenade, gold or silver thread details.
- **Gold frame and lettering:** decorative gold border with the wording "Raggruppamento Operativo Speciale Carabinieri" around the edge.
- **ROS lettering:** red "ROS" at the lower edge, bordered by thin blue and red lines.
- **Size:** standard 9 cm diameter—fits on uniforms and tactical suits without being bulky.
- **Velcro backing:** rear hook-and-loop for fast, secure attachment to compatible surfaces.
- **Durable embroidery:** wear-resistant threads maintain appearance under regular use.

How to use / When it’s useful

Use the patch on uniforms, tactical jackets or display panels that accept hook-and-loop fasteners. It is intended for professional identification during duty or for authorized display in a collection.

Quick answer: attach the Velcro-backed patch to any compatible surface for immediate use. In most cases, choose the high-visibility version for clear identification and the low-visibility version for discrete operations or subdued uniforms.

Care and notes

Basic care will keep the patch looking good and functioning properly over time.

- **Attachment:** designed for hook-and-loop surfaces—ensure the field on the garment is compatible.
- **Durability:** embroidered with strong threads; avoid abrasive contact to preserve stitching.
- **Purchase restrictions:** sales are limited to Carabinieri personnel and collectors with a valid prefectural license (art. 28 TULPS).
- **Delivery:** specify a barracks address for serving personnel or provide required collector documentation for civilian delivery.

FAQ

Q: Who can purchase the ROS patch?

A: Purchase is reserved for serving members of the Arma dei Carabinieri and collectors who hold the required prefectural license.

Q: What documentation is needed to buy?

A: Serving personnel must provide an ID card or CMD copy and a delivery address such as their barracks. Collectors must send a copy of the prefectural license as required by law.

Q: Which visibility options are available?

A: Two versions are offered: high visibility for clear identification and low visibility for discreet or tactical use.

Q: How is the patch attached?

A: The patch has a Velcro (hook-and-loop) backing for quick, secure attachment to compatible garments and gear.

Q: Can I order more than one patch?

A: Yes. You may order multiple patches, but documentation must be provided for each unit purchased according to the purchase rules.

Q: Is this patch suitable for tactical and collection use?

A: Yes. Its durable embroidery and standardized size make it suitable for duty wear, tactical setups, and verified military surplus collections.

Tip: Choose the visibility variant that matches your uniform or display needs and verify documentation before ordering; consider browsing related tactical and military surplus patches to complete your kit.
