Product short description:

The Scudetto Aliquota Primo Intervento Carabinieri Bassa Visibilità is designed for law enforcement and security professionals who need discreet, reliable kit for sensitive operations. Built from quality materials, it balances comfort and durability while allowing low-profile, effective action.

- **Material:** Constructed from high-quality fabrics for long-lasting wear and comfort.
- **Design:** Low-visibility finish to reduce attention during covert or sensitive tasks.
- **Features:** Strategic pockets and functional attachments for fast, practical access.
- **Use:** Suitable for Carabinieri, police, security teams and tactical operators requiring professional equipment.

Product description:

Product overview

The Scudetto Aliquota Primo Intervento Carabinieri Bassa Visibilità is a round embroidered low-visibility patch designed for personnel of the Arma dei Carabinieri. It is intended for duty uniforms

and tactical use where reduced visibility and quick identification are important.

Definition: a 7 cm embroidered round patch with rear Velcro, black background and the bee emblem of the Aliquota Primo Intervento Carabinieri. Suitable for police, tactical, and military surplus applications.

Main features

Clean, durable construction built for operational use and easy uniform attachment.

- **Low-visibility design:** black background with a discreet bee emblem representing the Aliquota Primo Intervento Carabinieri.
- **Compact size:** 7 cm diameter — fits uniforms without being bulky.
- **Rear Velcro:** fast attachment and removal for quick customization of duty gear.
- **Durable embroidery:** made to withstand regular field use and handling.
- **Restricted to Carabinieri:** sale is reserved for Arma dei Carabinieri personnel, with verification required.

How to use / When it’s useful

Quick answer: attach the patch to any compatible Velcro panel on your uniform, jacket, or tactical vest for identification during operations that require discretion. In most cases, the patch is used on uniforms, outer layers, or removable panels to keep identification clear but unobtrusive.

The patch is useful for patrols, response teams, plainclothes operations, or any duty where a low-profile emblem is preferred. Its compact size and Velcro backing let you move it between garments as needed for military surplus setups or daily duty equipment.

Care and notes

Simple care and the purchase conditions to keep the patch functional and compliant.

- Remove the patch before washing garments when possible to protect the embroidery and Velcro.
- Avoid direct heat or ironing over the patch to preserve stitching and backing.
- Sale is subject to verification: provide a copy of the service badge/ID or use your barracks address as the delivery location during checkout.
- Collectors may purchase only by submitting a copy of the prefectoral license in accordance with art. 28 TULPS.
- Limited availability due to restricted distribution; orders are processed after verification.

FAQ

Q: Who can buy the Scudetto Aliquota Primo Intervento Carabinieri Bassa Visibilità?

A: Purchase is reserved for personnel of the Arma dei Carabinieri. Orders require proof of service or a barracks delivery address for verification.

Q: What are the patch dimensions?

A: The patch is round with a diameter of 7 cm, sized to fit standard uniform panels without being obtrusive.

Q: How is the patch attached to clothing?

A: The patch has Velcro on the back for quick attachment and removal from compatible Velcro panels on uniforms, vests, or jackets.

Q: Can collectors purchase this item?

A: Yes. Collectors must provide a copy of the prefectoral license in accordance with art. 28 TULPS to complete the purchase.

Q: What materials is the patch made from?

A: The patch is embroidered and built from durable materials designed for regular operational use; it is intended to last under typical duty conditions.

Q: What documentation is required for sale and delivery?

A: You must send a copy of your service ID or use your station/barracks address at checkout. Orders are released only after verification of eligibility.

Tip: Choose the right placement and keep a spare on hand for tactical rotation; browse related patches and Velcro-mounted accessories to complete your duty or military surplus kit.
