- **Carry:** Compatible with common sheaths and holsters; check the listing to confirm included carry accessories.
- **Condition:** See the product description for condition, included items and warranty information before purchase.

Product description:

Product overview

The Delta Force Tactical Knife is a folding tactical knife designed for outdoor enthusiasts, security

professionals, and duty users who need a compact, reliable cutting tool. Simple definition: a foldable stainless-steel blade with a lightweight skeletonized handle for everyday carry and tactical use.

Built with a bronzed, skeleton-style aluminum handle and a 10.5 cm stainless steel blade with a digital camo finish, this knife includes a nylon sheath and rear pocket clip for secure transport. It suits tactical, military surplus, and police or duty applications where a sturdy, portable knife is required.

Main features

Key specifications and features at a glance:

- **Handle:** Bronzed, skeletonized aluminum for a secure grip and reduced weight.
- **Blade:** 10.5 cm stainless steel blade with digital camo finish, resistant to corrosion.
- **Overall length (open):** 21 cm for good reach while remaining compact.
- **Weight:** 138 g — lightweight and easy to carry.
- **Sheath:** Black nylon sheath included for added protection and transport.
- **Clip:** Rear pocket clip for attachment to a pocket edge or belt/pants.

How to use / When it’s useful

Quick answer: use the Delta Force Tactical Knife as an everyday carry (EDC) tool or a compact duty knife for light-to-medium cutting tasks while hiking, camping, or on security shifts. Its folding design and clip make it convenient for regular carry.

In most cases, it performs well for utility tasks such as cutting cordage, opening packages, food prep in the field, and basic emergency uses. Its lightweight build and secure handle make it suitable for extended use without excessive fatigue.

Care and notes

Basic care keeps the knife reliable and extends blade life; follow these simple steps after use.

- Clean the blade with fresh water and dry thoroughly to avoid residue buildup; stainless steel resists corrosion but benefits from routine care.
- Apply a light oil to the pivot occasionally to maintain smooth opening and prevent stiffness.
- Store in the included nylon sheath when not in use; avoid prolonged exposure to saltwater or harsh chemicals.
- Keep out of reach of children and follow local laws regarding carrying folding knives.

FAQ

Q: What is the blade length of the Delta Force Tactical Knife?

A: The blade measures 10.5 cm (approx. 4.1 inches) as stated in the product description.

Q: Is the blade corrosion-resistant?

A: Yes, the blade is made of stainless steel and is described as resistant to corrosion, though regular cleaning is recommended.

Q: Is this knife suitable for daily carry and general use?

A: Yes. It is designed for versatile everyday tasks, outdoor activities, and duty use where a compact tactical knife is needed.

Q: Does the knife come with a sheath?

A: Yes, the knife includes a black nylon sheath for protection and safer transport.

Q: How much does the knife weigh?

A: The listed weight is 138 grams, making it lightweight and easy to carry for extended periods.

Q: Can the clip attach to a pocket or pants?

A: Yes, the rear clip is designed to attach to a pocket edge or the waistband of pants for quick access.

Tip: Choose the variant or size that best fits your intended use (EDC, outdoor, duty) and consider browsing related tactical and military surplus knives to compare features like blade length, handle material, and carry options before adding to cart.
