Product short description:

The Emerson Polymer Holster — Black is a durable, practical holster for professionals and enthusiasts who need secure carry and fast access to their firearm. Made from sturdy polymer, it protects the weapon while the ergonomic shape keeps carry comfortable during extended use.

- **Material:** Durable polymer construction for reliable protection.
- **Color:** Black, low-profile finish that pairs with any gear.
- **Use:** Designed for secure carry and quick, safe access.
- **Design:** Ergonomic profile for comfortable everyday wear.
- **Brand:** Emerson.

Product description:

Product overview

The Emerson Black Polymer Holster is a rigid belt holster designed for Beretta 92 FS owners who need secure, accessible carry for duty, tactical, or everyday use. Definition: a molded black polymer belt holster built to hold a Beretta 92 FS with a retention lever for quick access.

This holster combines impact- and weather-resistant polymer protection with an ergonomic fit and a matte black finish that suits duty, police, and tactical gear. Stock can be limited due to demand, so check availability before purchase.

Main features

Practical features built for secure carry and easy access:

- **Durable black polymer:** molded for impact and weather resistance without adding excess weight.
- **Designed for Beretta 92 FS:** molded fit to provide stable retention for this model.
- **Quick-release safety lever:** fast, controlled access to the firearm while keeping it secured when holstered.
- **Double attachment system:** choose between two mounting styles to match your belt setup.
- **Fixing screws included:** hardware provided to secure the holster to the belt attachment.
- **Matte black finish:** low-profile look that integrates with duty, police, and tactical equipment.

How to use / When it’s useful

Quick answer: use this holster as a belt-mounted open-carry or duty holster for a Beretta 92 FS to keep the pistol secure and ready. Fit it to a sturdy belt, confirm retention, and practice a safe draw in a controlled environment.

In most cases, the holster is suitable for on-duty, range, or tactical training where a rigid, reliable belt holster is preferred. Regularly check screws and retention so the holster remains secure and comfortable during extended wear.

Care and notes

Simple care keeps the holster reliable over time:

- Wipe clean with a damp cloth; avoid abrasive cleaners.
- Inspect and tighten mounting screws periodically before use.
- Verify retention and the quick-release lever operation before carrying.
- Available only in black; ensure you select the correct model for Beretta 92 FS.

FAQ

Q: Is this holster compatible with pistols other than the Beretta 92 FS?

A: It is specifically molded for the Beretta 92 FS to ensure correct fit and retention. Some similar pistols may fit, but compatibility is not guaranteed—verify fit before regular use.

Q: Is the black polymer resistant to weather and impacts?

A: Yes. The molded polymer is designed to resist normal weather exposure and routine impacts from daily carry. Clean and inspect the holster regularly.

Q: Is the quick-release lever safe for duty use?

A: The lever provides fast access while holding the pistol securely when engaged. Always test the mechanism and follow safe handling practices before carrying.

Q: Can I adjust the holster position or retention?

A: The double attachment system and supplied screws allow mounting in different positions on a compatible belt. Fine retention adjustments are limited—ensure a secure fit for your pistol.

Q: Are other colors available?

A: This model is currently offered only in black to match tactical and duty equipment.

Q: What hardware comes with the holster?

A: The holster includes the screws needed for mounting the chosen attachment. Belts, pistol, and additional accessories are sold separately.

Tip: Choose the correct holster model for your Beretta 92 FS and confirm mounting preferences (belt width and carry side) before checkout. Browse our related duty and tactical holsters to compare carry styles and find the best match for your needs.
