Product overview

The Tuta Ginnica Azzurra Aeronautica Militare is a two-piece light-blue tracksuit designed for serving Aeronautica Militare personnel and licensed collectors. It combines a practical sports cut with the official Aeronautica Militare insignia for duty, training, or leisure use. Definition: a two-

piece athletic suit with tricolour raclan trim and official Aeronautica Militare patch.

Suitable for everyday training, light exercise, or casual wear, this tracksuit is of interest to military surplus shoppers and tactical gear collectors. Search terms: Aeronautica Militare tracksuit, military surplus tracksuit, tactical training suit.

Main features

Functional design with visible corps branding and practical pockets; reserved sale conditions apply.

- **Two-piece design:** jacket and trousers with tricolour raclan trim on the front chest and along the legs.
- **Official insignia:** rectangular white patch with the wording **AERONAUTICA MILITARE** topped by the open-wing eagle on the jacket chest and front of the trousers.
- **Practical jacket:** front zipper closure, side pockets and elasticated waist for a comfortable fit.
- **Trousers:** elastic cuffs and a rear pocket for small items.
- **Reserved product:** sale is limited to serving Aeronautica Militare personnel and verified collectors with the required licence.

How to use / When it’s useful

Quick answer: Wear it for footing, walks, rest periods or light physical training where a comfortable, identifiable tracksuit is required. In most cases, it serves as both leisurewear and official gym wear for Aeronautica Militare staff.

The tracksuit is practical for daily use on base, for off-duty activities, and for collectors who want an authentic, issued-style garment. It is suitable for searches under tactical, military surplus, and duty clothing keywords.
