Product overview

The **Nastrino di Merito della Palma di Bronzo al Merito Tecnico CONI** is the third-class merit ribbon awarded by the **CONI** to technical staff and athletes who have made a notable contribution within civilian and military sports groups. Definition: this is a recognition ribbon that represents the Palma di Bronzo al Merito Tecnico issued under CONI procedures.

This ribbon is designed for use on dress and service uniforms across military, tactical and police contexts and is available from **Tutto Militare** in multiple finishes and mounting options. It

combines a tricolour background with bronze palm motifs and is produced with attention to traditional workmanship.

Main features

Clear, regulation-style design focused on uniform use and presentation.

- **Tricolour background**: green, white and red bands reflecting the Italian flag.
- **Bronze palms**: two bronze palm branches centered on the white band as the merit symbol.
- **Regulation dimensions**: made to match standard sizes used for ribbons on uniforms.
- **Two finishes**: flat regulation format and a slightly domed "Elite" variant for a refined look.
- **Mounting options**: available with rear clamps or screws for secure attachment.
- **Handcrafted production**: made with quality materials and artisanal techniques to ensure durability.

How to use / When it’s useful

This ribbon is worn on dress or service uniforms to signify the CONI Palma di Bronzo al Merito Tecnico award and is suitable for formal ceremonies, parades, and official presentations. It can be mounted individually or combined with other ribbons on a multi-ribbon bar for orderly display.

Quick answer: wear it on the appropriate uniform ribbon bar according to your organization's placement rules. In most cases, choose the flat format for strict regulation conformity or the slightly domed Elite for a more polished appearance.

Care and notes

Basic care helps preserve appearance and fastening reliability; the ribbon is made to last but benefits from sensible handling.

- Clean with a soft, dry cloth; avoid abrasive cleaners or strong chemicals.
- Choose the rear fastener (clamp or screw) that matches your uniform to prevent damage when mounting.
- When combining multiple ribbons, use a proper multi-ribbon holder for an orderly and secure display.
- Store flat or in a protective case to avoid bending or deformation of the ribbon or palms.

FAQ

Q: What are the ribbon dimensions?

A: The ribbon is produced to match standard regulation sizes used for military and sports uniforms. Specific millimetre values follow standard ribbon dimensions.

Q: Can I combine this ribbon with others on a single mount?

A: Yes. Use a multi-ribbon holder to mount several ribbons together for a neat and professional presentation.

Q: What is the difference between the flat and the Elite domed format?

A: The flat format follows a traditional regulation look, while the slightly domed Elite offers a subtle rounded profile for a more decorative appearance.

Q: Can I choose the type of rear attachment?

A: Yes. The ribbon is available with different rear fastenings such as clamps or screws; select the option that best fits your uniform and mounting preference.

Q: How long does shipping usually take?

A: Shipping times are generally short and processed within a few working days, though exact delivery depends on your location and shipping method.

Q: Is this ribbon officially recognized?

A: The ribbon represents the CONI Palma di Bronzo al Merito Tecnico and is made to conform to established standards for display on uniforms in sports and military contexts.

Tip: Choose the variant and rear fastener that best match your uniform and intended use, and consider browsing related military, tactical and police ribbon accessories to complete a tidy, regulation-compliant display.
