Product overview

Tubolari Plastica Kaki Luogotenente Esercito are a pair of khaki plastic rank sleeves designed for the Luogotenente rank of the Italian Army (Esercito). They are intended for use on shirts and sweaters by serving military personnel and verified collectors following legal rules.

Definition: A pair of trapezoid-shaped plastic tubolari with a khaki backing and a gold-and-red rank emblem for authorized Army use. Suitable for tactical duty uniforms, military surplus collectors, and duty display items.

Main features

Clear construction and visual details make these tubolari suitable for uniform use and display.

- **Durable material:** Made of sturdy plastic for long-lasting use.
- **Distinctive design:** Trapezoid shape on a khaki backing with a gold frame speckled in black.
- **Rank emblem:** Three gold bars edged in red and speckled in black, topped by a five-point gold star edged in red.
- **Pair for shirt and sweater:** Supplied as a set for both garment types.
- **Restricted sale:** Reserved for Army personnel or verified collectors under legal requirements.

How to use / When it’s useful

These tubolari slip onto the sleeve or placket of a shirt or sweater to display rank in formal and duty settings. They are designed for quick fitting and removal to allow easy uniform changes.

Quick answer: Fit them on the sleeve placket or sweater cuff where rank insignia are normally placed. In most cases, they are used for regular duty uniforms, ceremonial wear, or by verified collectors for display.

Care and notes

Basic care keeps the tubolari looking correct and preserves the painted details.

- Wipe with a soft, damp cloth to remove dirt; avoid solvents that can damage paint.
- Store flat to prevent bending or warping of the plastic.
- Sale requires proof of Army affiliation or barracks delivery address at checkout.
- Collectors must provide a valid license in accordance with art. 28 TULPS.

FAQ

Q: Who can purchase these Tubolari Plastica Kaki Luogotenente Esercito?

A: Sales are limited to serving personnel of the Esercito who can provide a copy of their military ID, or to collectors who submit the required license under art. 28 TULPS.

Q: What materials are used for the tubolari?

A: The tubolari are made of durable plastic with painted gold and red details; the backing is khaki-colored to match standard uniform fabric.

Q: How do I prove my Army membership to complete the purchase?

A: You must upload or send a copy of your military ID during registration or specify the barracks address as the delivery location at checkout to confirm eligibility.

Q: Can collectors buy these tubolari?

A: Yes, verified collectors can buy them by providing a copy of the prefectoral license required by art. 28 TULPS; the seller will verify documentation before shipping.

Q: How do I attach and remove the tubolari?

A: The tubolari are designed for easy application and removal from the sleeve placket or sweater—fit into place by sliding over the fabric area where rank insignia are normally worn.

Q: Are these tubolari widely available?

A: Availability is limited due to restricted sale and high demand from service personnel; orders are processed only after documentation is verified.

Tip: Choose the correct variant and ensure your military ID or barracks delivery details are ready at checkout; browse related military and tactical uniform items to complete your duty or display setup.
