Product overview

The Expedition Multi-Pocket Bag in black Cordura is a compact, durable bag designed for urban adventurers, hikers, and professionals who need a reliable carry solution for daily or duty use. It

suits tactical, military surplus and police applications where ruggedness and organization are required.

Definition: A small multi-pocket Cordura bag with several carry options and breathable back padding for comfortable all-day use.

Main features

Solid construction and practical layout make this bag easy to use for work, travel, or outdoor activities.

- **High-quality Cordura fabric:** durable, abrasion- and tear-resistant black Cordura.
- **Multi-pocket design:** large main compartment plus internal and external pockets for organized storage.
- **Three carry options:** wear on the hip with the included webbing belt, as a shoulder bag with the same belt, or in a thigh/hip position using the included straps.
- **Breathable back panel:** ventilated mesh on the rear for comfort during extended wear.
- **Compact dimensions:** H22 x L18 x P6 cm — compact but roomy enough for everyday essentials and a standard tablet.
- **Water resistance:** Cordura offers protection against light rain and splashes (not fully waterproof).
- **One-year warranty:** covered against manufacturing defects for 12 months.

How to use / When it’s useful

Quick answer: Use it for daily carry, short hikes, urban patrols, or as a compact tactical pouch. The multiple pockets keep documents, gadgets, and small tools organized and accessible.

In most cases, wear it on the hip for quick access, sling it over the shoulder for hands-free movement, or secure it in a thigh/hip position when you need stability during active use. Suitable for tactical, military surplus, or duty contexts where mobility and organization matter.

Care and notes

Basic care keeps the Cordura material performing well and preserves the bag’s appearance.

- Clean with a damp cloth and mild soap; avoid aggressive scrubbing.
- Do not machine wash to protect seams, padding, and hardware.
- Allow to air dry away from direct heat or prolonged sun exposure.
- Check straps and fastenings before use; belt is fully adjustable.

FAQ

Q: Is the bag waterproof?

A: The Cordura fabric is water-resistant and provides protection from light rain and splashes, but the bag is not fully waterproof in heavy rain or submersion.

Q: Can it carry a tablet?

A: Yes. The main compartment fits a standard-size tablet and other everyday items like a phone, wallet, and small notebook.

Q: Is the included webbing belt adjustable?

A: Yes. The webbing belt is fully adjustable to fit different waist and shoulder sizes for hip or shoulder carry.

Q: Does the bag come with a warranty?

A: Yes. The bag includes a one-year warranty against manufacturing defects.

Q: Can I wash the bag in a washing machine?

A: No. Machine washing is not recommended. Clean the bag by hand with a damp cloth to preserve the Cordura material and construction.

Q: How many ways can I wear the bag?

A: Three practical ways: on the hip with the webbing belt, over the shoulder using the same belt, or in a thigh/hip position using the included straps for added stability.

Tip: Choose the carry option that suits your activity and body size, and check related tactical and duty bags in similar Cordura styles to find matching pouches or larger packs without rushing your choice.
