Product features:

Product short description:

Tactical Vegetata is a tactical jacket designed for outdoor activities and city use, combining practical features with a clean, wearable look for outdoor enthusiasts and urban operators.

- **Material:** Made from high-quality fabrics that resist wear while providing comfort during extended use.
- **Camouflage:** Vegetata camo blends with natural surroundings, ideal for outdoor work and field activities.
- **Storage:** Multiple pockets offer organized carry for essentials and personal items.
- **Closure & Fit:** Full zip front and adjustable cuffs allow easy layering and a personalized fit.
