How to use / When it’s useful

Quick answer: Wear on the service uniform or mount with other ribbons on a portanastrini for display. The ribbon is intended for use by Guardia di Finanza personnel who participated in the G7 Taormina 2017 mission.

In most cases, choose the attachment type (clamp or screws) based on your uniform or display board. Use the flat regulation finish for standard uniforms and the Elite domed variant for a slightly more prominent look in collections or presentations.
