Product short description:

The Nastrino Ufficiale Ordine Militare d'Italia is the official ribbon of the Italian Military Order, representing prestige and honour for those who have served with distinction. Suitable for veterans, uniformed personnel and collectors, it complements dress uniforms and display mounts.

- **Material:** Manufactured from quality materials with careful construction.
- **Use:** Intended for wear on official dress uniforms or for collection and display.
- **Design:** Vibrant colours and precise detailing that reflect the Order's tradition.
- **Significance:** A tangible emblem of merit, courage and dedication to service.

Product description:

Product overview

The **Nastrino Ufficiale Ordine Militare d'Italia** is the official ribbon bar representing the Ordine Militare d'Italia, intended for officers, veterans, collectors, and institutions that require an authentic regulation ribbon for uniforms or display. Definition: a 37 mm official ribbon bar used to show the Ordine Militare d'Italia on dress uniforms and mounting bars.

Available in the flat regulatory format and a slightly domed **Elite** variant, the ribbon can be

supplied with a portanastrino (ribbon holder) using a rear clamp or screw attachment. The item is made from durable materials and is offered in limited quantities.

Main features

Key features and practical details at a glance:

- **Standard size:** 37 mm regulatory format.
- **Two finishes:** flat regulatory or slightly domed **Elite** version.
- **Attachment options:** portanastrino with rear clamp or with screws (selectable in the product dropdown).
- **Multi-slot mounting:** can be packaged on two- or multi-position metal holders for grouped ribbons.
- **Durable construction:** made from materials designed for long-term use and display.
- **Limited availability:** high demand and limited stock.

How to use / When it’s useful

Quick answer: Use the ribbon on a uniform ribbon bar or mount it on a metal portanastrini for display. In most cases, the flat regulatory format is chosen for official uniform wear, while the Elite domed variant is preferred for presentation or display items.

Select the desired attachment type (clamp or screws) in the dropdown when ordering. If you plan to wear or store several ribbons together, order the ribbon packaged on a two- or multi-slot portanastrini to keep them aligned on a single metal base.

Care and notes

Simple care and ordering notes to keep the ribbon in good condition:

- Store in a dry place and avoid prolonged exposure to direct sunlight.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Double-check the attachment option (clamp or screws) before ordering to match your ribbon bar or uniform.
- Authenticity and quality are guaranteed when purchased directly from our site.
- Limited stock: order promptly if availability is important.

FAQ

Q: What size is the ribbon?

A: The ribbon is available in the standard regulatory size of 37 mm. This is the single size offered for this item.

Q: Can the ribbon be customized or personalized?

A: The ribbon’s design follows the official appearance for the Ordine Militare d'Italia and is not altered. You can request packaging on two- or multi-slot portanastrini to group multiple ribbons on one metal base.

Q: Which attachment options are available?

A: You can choose a portanastrino with a rear clamp (morsetto) or with screw attachments. Select the preferred option from the product dropdown before adding to cart.

Q: What variants of the ribbon exist?

A: The ribbon is offered in the flat regulatory format and in a slightly domed **Elite** variant for a refined appearance.

Q: How can I be sure the ribbon is original?

A: Purchasing directly from our official site ensures the authenticity and quality of the product. We guarantee the item matches the official ribbon appearance.

Q: Is the ribbon always in stock?

A: This item is produced in limited quantities and can sell out. Check the product page for current availability and order promptly if you need one.

Tip: When ordering, choose the correct format (37 mm flat or Elite domed) and the appropriate attachment (clamp or screws). Consider adding a two- or multi-slot portanastrini if you plan to display or wear multiple ribbons together, and browse related military and tactical ribbon holders to complete your setup.
