Product short description:

Nastrino GdF for participation in 11–15 events of particular relevance. A refined service ribbon that acknowledges commitment and notable contribution, suitable for Guardia di Finanza personnel, collectors and for ceremonial or formal wear.

- **Material:** Constructed from high-quality materials to preserve appearance and resist normal wear.
- **Use:** Denotes participation in 11–15 events of particular relevance; intended for display on uniforms or formal attire.
- **Attachment:** Suitable for standard ribbon mounting or worn as a lapel-style ribbon according to uniform regulations.
- **Recognition:** Elegant, understated symbol of service, dedication and professional achievement.

Product description:

Product overview

The Nastrino GdF Partecipazione da 11 a 15 Eventi di Particolare Rilevanza is a service ribbon

issued to Guardia di Finanza personnel who have taken part in 11–15 officially recognised events of particular relevance, as determined by the Comando Generale. It is intended for uniform wear by authorised staff and for formal recognition of duty service.

Definition: a yellow/green service ribbon with a central 9 mm grey vertical stripe awarded for participation in 11 to 15 relevant events.

Main features

Simple, regulation-style ribbon available in standard and Elite finishes, with choice of mounting accessories for secure attachment to duty uniforms or display boards.

- **Distinctive design:** Yellow/green ribbon with a central 9 millimetre grey vertical stripe for clear identification.
- **Durable materials:** Made to retain appearance with regular use and handling.
- **Format options:** Standard flat regulation format or slightly domed “Elite” variant for a refined look.
- **Mounting choices:** Includes a ribbon holder with rear clamp or screw attachment selectable from the product menu.
- **Multi-ribbon packaging:** Option available for mounting multiple ribbons on a single metal base (two or more positions).
- **Suitable uses:** For uniform display, ceremonial dress, or service recognition in tactical, military surplus and duty collections.

How to use / When it’s useful

Attach the nastrino to uniform or a metal ribbon bar using the selected rear clamp or screw fastener. Choose the flat or Elite finish based on your unit’s regulation or personal preference for appearance.

Quick answer: this ribbon is for Guardia di Finanza personnel awarded for participation in 11–15 qualifying events.
In most cases, select the mounting type (clamp or screws) during purchase and order a multi-ribbon base if you need to group several ribbons together.

Care and notes

Keep the ribbon in good condition by storing it flat or on its metal base and avoiding abrasive cleaning methods; select the correct attachment option when ordering.

- Store flat or on the metal ribbon base to maintain shape.
- Clean gently with a soft, dry cloth; avoid solvents or harsh chemicals.
- Select clamp or screw fastening via the dropdown menu before checkout.
- For multi-ribbon mounting, choose the two-or-more position base listed in the product

options.
- Note: the ribbon is intended for authorised recipients—check unit regulations if unsure.

FAQ

Q: Who is eligible to receive this nastrino?

A: It is awarded to Guardia di Finanza personnel who participated in 11–15 events officially recognised as “of particular relevance” by the Comando Generale. Eligibility is determined by the command.

Q: What are the ribbon dimensions and colours?

A: The ribbon is yellow/green with a central grey vertical stripe that is 9 millimetres wide. Sizes follow regulation ribbon proportions.

Q: Which formats are available?

A: Two formats are offered: the regulation flat ribbon and the slightly domed “Elite” variant. Choose based on uniform regulations or preferred appearance.

Q: What mounting options come with the ribbon?

A: You can choose a rear clamp (morsetti) or screw-type attachment during purchase. Both options are intended for secure fastening to ribbon bars or uniforms.

Q: Can I buy a multi-ribbon holder for grouping ribbons?

A: Yes. A metal multi-ribbon base for two or more ribbons is available as a separate option to house multiple nastrini on a single mount.

Q: Is this item widely available?

A: The product is offered in limited quantities. Availability may vary, so select your preferred format and mounting option when adding the item to your cart.

Tip: Choose the correct format (flat or Elite) and mounting type (clamp or screws) before checkout, and consider a multi-ribbon base if you plan to display several ribbons together; browse related duty and military-tactical accessories to complete your uniform or display.
