Product overview

The Crest 5° Stormo Aeronautica Militare is a licensed enameled brass crest mounted on a wooden base, made for aviation enthusiasts, collectors, veterans, and anyone interested in military memorabilia. It is suited to display in offices, home collections, museums, or retail outlets

that sell military surplus and tactical or police memorabilia.

Definition: a licensed decorative crest representing the 5° Stormo of the Aeronautica Militare, crafted in enameled brass on a wooden stand. The piece combines historical symbolism with a durable, display-ready finish and measures 18 x 21 cm.

Main features

Key features that make this crest a collectible and display item:

- **High-quality materials:** enameled brass (fired enamel) mounted on a solid wooden base for durability and a refined look.
- **Distinctive design:** depicts the Diana huntress with bow and arrow as painted on F-104 rudders, topped by “5° Stormo” and the cartouche reading “AERONAUTICA MILITARE.”
- **Ideal display size:** 18 x 21 cm, practical for desks, shelves, or display cabinets.
- **Licensed authenticity:** sold as a commercial licensed product, preserving historical and emblematic details.
- **Suitable for collectors and retail:** fits military surplus, tactical, and police memorabilia assortments.

How to use / When it’s useful

Quick answer: use the crest as an indoor display piece, a presentation item, or a collectible to honor the 5° Stormo. It works well on a desk, shelf, mantle, or in a dedicated display case.

In most cases, collectors, veterans, or retail buyers place the crest where it can be seen and protected from weather. It also makes a respectful gift for aviation enthusiasts or for commemorating service and unit pride.

Care and notes

Simple care keeps the crest in good condition and preserves the enamel and wood finish.

- Display indoors to avoid weather exposure and fading.
- Clean gently with a soft, dry or slightly damp cloth; avoid abrasive cleaners or solvents.
- Keep away from prolonged direct sunlight and high humidity to protect both enamel and wood.
- Handle by the base to reduce fingerprints on the metal surface.

FAQ

Q: What are the dimensions of the Crest 5° Stormo Aeronautica Militare?

A: The crest measures 18 x 21 cm. This size is suitable for tabletop or shelf display and can fit

most display cabinets.

Q: What materials is the crest made from?

A: The crest is made of enameled brass (fired enamel) mounted on a wooden base, combining metal detail with a sturdy wooden stand.

Q: Is the crest an official product?

A: Yes. It is sold as a commercial licensed product, which ensures the design respects the historical and emblematic details of the 5° Stormo.

Q: Can I display the crest outdoors?

A: It is recommended to display the crest indoors to preserve the enamel and wood. Outdoor exposure can accelerate wear and damage over time.

Q: Can I buy more than one crest?

A: Multiple pieces can be purchased if available. Note that availability may be limited, so consider ordering promptly.

Q: Is this crest suitable for military surplus or tactical retail displays?

A: Yes. The crest fits well in military surplus, tactical, and police memorabilia selections and appeals to collectors and service members.

Tip: Choose the right placement and check available stock before purchasing; consider browsing related military surplus and tactical memorabilia to complete a display or gift set.
