- **Fit:** Ergonomic cut ensures a comfortable, practical fit and freedom of movement.
- **Pockets:** Multiple pockets offer organized storage for essential gear.
- **Durability:** Designed to withstand regular wear while maintaining a professional appearance.

Product description:

Product overview

The Pantaloni Nucleo Radiomobile Carabinieri are technical duty trousers made for active members of the Carabinieri and for licensed collectors. Built for daily road patrols and operational

tasks, they balance institutional appearance with tactical functionality.

Definition: These are official Carabinieri radiomobile trousers designed for operational use by the Nucleo Radiomobile. They are a duty/tactical garment suitable for police and military applications where regulation and durability matter.

Main features

Designed for comfort, durability and a formal appearance, these trousers combine stretch fabric with reinforced construction and secure pockets.

- Fabric: 90% polyamide, 10% elastane with two-way stretch for freedom of movement.
- Institutional black color with a vertical red side stripe (banda rossa) identifying the Nucleo Radiomobile.
- Long tailored front cut for improved comfort during prolonged wear.
- Pocket layout: 2 easy-access front pockets and 2 rear pockets with buttoned flaps for secure storage.
- Reinforced seat with double stitching and structured knees to resist pressure and repeated bending.
- Adjustable ankle closures with Velcro for compatibility with boots, ankle boots or duty shoes.
- All-season use, high resistance suited to professional operational environments.

How to use / When it’s useful

These trousers are intended for road and patrol duties, traffic control and other operational tasks where a formal, recognizable uniform is required. The elastic fabric supports dynamic postures and frequent movement.

Quick answer: Wear them during on-duty road services, patrols or official events requiring the Nucleo Radiomobile uniform. In most cases: pair with service boots or low ankle boots and adjust the Velcro ankles for a secure fit.

Care and notes

Follow care instructions and the sales restrictions that apply to official uniform items.

- Wash at 30°C; do not tumble dry.
- No internal pockets or zips beyond the described design; follow the product specs for storage capacity.
- Sale reserved: purchase requires proof of service (active Carabinieri ID) or a prefectoral license ex art. 28 TULPS for collectors.
- Available sizes: 44 to 60 — consult the size guide and provide measurements after order confirmation.

FAQ

Q: Who can buy these trousers?

A: Only active Carabinieri personnel or collectors holding a valid prefectoral license ex art. 28 TULPS may purchase. Required documents must be submitted for verification.

Q: Can I select my size?

A: Yes. Sizes available range from 44 to 60. Consult the size guide before ordering and send the measurement sheet after your purchase for final confirmation.

Q: Where can the product be shipped?

A: Shipments can be made to a personal address or to official Carabinieri commands/stations if you provide the required command documentation or a service attestation.

Q: How long does account activation take?

A: Account verification and activation are handled manually and typically take 24–48 working hours after document submission.

Q: Can I buy other reserved uniform items?

A: Yes. After registering and providing the necessary documentation, you can access and purchase other items reserved for military or police personnel and licensed collectors.

Q: What is the fit like?

A: The cut is regular to slightly slim with significant fabric stretch for comfort. The elastic composition allows mobility while maintaining a tidy, formal silhouette.

Tip: Choose your size carefully using the size guide and send accurate measurements after purchase; browse related duty and tactical items to complete your uniform set and ensure the right fit and accessories.
