How to use / When it’s useful

Quick answer: These galloni are fitted to the soggolo (shoulder strap) or similar uniform points to indicate the Primo Maresciallo rank. They are sold loose so you can slide them onto the strap or mount them as required by uniform rules.

In most cases, you will provide proof of service at checkout (a copy of your tesserino or the barracks delivery address) or, if you are a verified collector, the required art. 28 TULPS license. They are suitable for dress uniforms, duty wear, and for collectors who meet legal requirements.

Care and notes

Keep the galloni in good condition by storing them flat and avoiding prolonged exposure to moisture or abrasive contact.

- Sold loose without end closures—easy to apply and remove.
- Sale restricted to serving Aeronautica Militare personnel unless collector license is provided.
- Proof required at purchase: copy of tesserino or barracks address at checkout.
- Collectors must send a copy of the prefettizia license under art. 28 TULPS.
