- **Use:** Ideal for collectors; perfect for display at home, office or showroom.
- **Condition:** Ready to display.
- **Note:** Tribute to the history and innovation of the Italian Air Force.

Product description:

Product overview

The **Crest 37° Stormo Aeronautica Militare** is a licensed enamel crest on a wooden base for collectors, aviation enthusiasts, and display in duty rooms or tactical/military surplus collections. Definition: a decorative, officially licensed emblem representing the 37° Stormo of the Italian Air

Force.

This crest features a stork in flight on a 17 x 25 cm shield and is made to be displayed at home, in an office, or in a collection of military or tactical memorabilia. The licensed production confirms its official status and expected quality.

Main features

Key details at a glance.

- **Official licensed product:** Produced under commercial license to guarantee authenticity.
- **Material:** Enamel finish on a high-quality wooden base.
- **Design:** Shield shows a stork in flight, the emblem of the 37° Stormo.
- **Size:** 17 x 25 cm — suitable for wall or shelf display.
- **Good for displays:** Fits military surplus, tactical, and duty-room collections.

How to use / When it’s useful

Use this crest as a display piece in a study, office, club, or collection cabinet. It works well as a focal item among military surplus or tactical gear displays and as a gift for aviation and military-history enthusiasts.

Quick answer: display it on a wall or shelf where the enamel and wood finish can be seen. In most cases, mount with appropriate fittings for decorative crests; handle gently to preserve the enamel surface.

Care and notes

Basic care keeps the crest in good condition and preserves its appearance.

- Keep dry and avoid prolonged exposure to direct sunlight to prevent fading.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners or solvents.
- Handle with care — enamel can chip if dropped or struck.
- Limited availability: stock may run low, so consider ordering promptly.

FAQ

Q: What are the crest dimensions?

A: The crest measures 17 x 25 cm. It is sized for easy wall or shelf display.

Q: Is this an official product of the Aeronautica Militare?

A: Yes. The crest is produced under a commercial license, which confirms its official status.

Q: What materials are used?

A: The crest is enamel on a high-quality wooden base, combining a polished finish with a sturdy support.

Q: Can I buy more than one crest?

A: Yes, multiple units can be purchased if available. Note that availability is limited and demand can be high.

Q: Is there proof of authenticity included?

A: Authenticity is guaranteed by the commercial license. Official product documentation or confirmation is provided with the item.

Q: How should I mount or display the crest?

A: The crest is intended for display on a wall or shelf. Use appropriate picture-hanging fittings or supports; hardware may not be included, so choose fittings suitable for the crest’s size and weight.

Tip: Choose the right variant or placement for your space and consider browsing related military surplus and tactical display items to complete your collection.
