Product overview

The Patch Carabinieri Antiterrorismo API Reggio Calabria is a round embroidered hook-and-loop patch designed for members of the Arma dei Carabinieri, specifically the Antiterrorism API Aliquote Primo Intervento unit in Reggio Calabria. It is intended for use on operational suits, tactical uniforms, and duty gear.

Definition: A 6.5 cm embroidered Velcro-backed patch representing the Aliquota Primo Intervento Carabinieri unit. This military patch is suitable for tactical, police, and military surplus applications.

Main features

Compact, durable, and clearly identifiable, this patch combines clear unit branding with practical construction for field or duty use.

- **Distinctive design:** Round patch on a black background showing an open-sting bee above a lightning bolt, encircled by the inscription "ALIQUOTA PRIMO INTERVENTO CARABINIERI".
- **High-quality embroidery:** Durable stitched construction built to withstand regular use on uniforms and tactical gear.
- **Hook-and-loop backing:** Velcro rear for quick attachment and removal from operational suits and duty uniforms.
- **Visible size:** Diameter 6.5 cm — large enough to be recognizable without being bulky.
- **Authorized use:** Intended for Arma dei Carabinieri personnel; collectors must meet verification requirements.

How to use / When it’s useful

Apply the patch to any Velcro-compatible area on your operational suit, jacket, or tactical vest. The hook-and-loop backing allows fast changes between garments.

Quick answer: Attach to the Velcro surface on your uniform or gear for unit identification and professional appearance. In most cases, this patch is used on operational suits, duty jackets, or tactical vests by authorized personnel.

Care and notes

Care for the patch by avoiding harsh chemicals and high-heat drying; remove before machine washing garments if possible to extend life.

- Do not expose to strong solvents or bleach; spot-clean with mild detergent.
- Avoid prolonged high-heat drying; air dry recommended to preserve embroidery and Velcro.
- Sale restricted: buyers must provide a copy of their service ID (tesserino) or list the military station as the delivery address during registration.
- Collectors: a copy of the prefettizia license ex art. 28 TULPS is required for purchase.

FAQ

Q: Who can buy the Patch Carabinieri Antiterrorismo API Reggio Calabria?

A: The patch is reserved for personnel of the Arma dei Carabinieri. Collectors may purchase only after providing the required prefettizia license ex art. 28 TULPS.

Q: What are the patch dimensions?

A: The patch has a diameter of 6.5 cm, suitable for visibility on tactical uniforms without being oversized.

Q: How is the patch attached to the uniform?

A: It features a hook-and-loop (Velcro) backing for quick attachment and removal from Velcro-compatible areas on operational suits and tactical gear.

Q: Can I buy the patch without providing ID or license?

A: No. Purchase requires a copy of your service card (tesserino) or the military station address as the delivery location. Collectors must provide the prefettizia license ex art. 28 TULPS.

Q: What does the patch design represent?

A: The patch shows an open-sting bee above a lightning bolt on a black background and is surrounded by the text "ALIQUOTA PRIMO INTERVENTO CARABINIERI", identifying the Antiterrorism API unit.

Q: Is this patch suitable for tactical or police use?

A: Yes. It is designed for tactical use on duty uniforms and operational suits, and is appropriate for military and police gear where authorized.

Tip: When ordering, confirm the delivery address and required verification documents (service ID or prefettizia license) to avoid delays. Check related tactical patches and military surplus items to complete your duty gear setup.
