### Product overview

The Patch Artiglieria a Cavallo Voloire is a low-visibility embroidered unit patch with rear velcro,

made for members of the Reggimento Artiglieria a Cavallo Voloire, Brigata Cavalleria Pozzuolo del Friuli. It is intended for military personnel and verified collectors who need an official emblem for uniforms, tactical gear, or military surplus displays.

Definition: a low-visibility embroidered patch with hook-and-loop backing that reproduces the official regimental emblem. Suitable for tactical uniforms, duty equipment, and collectors of military insignia.

**Main features**

Compact, accurate and made to last, this patch reproduces the regimental emblem in low-visibility tones and fits easily on uniforms or gear.

- **Official emblem:** Represents the Reggimento Artiglieria a Cavallo Voloire with detailed eagle, crown and shield motifs.
- **Low-visibility embroidery:** Designed for subtle appearance on green backgrounds used in tactical and military gear.
- **Rear velcro backing:** Fast and secure attachment to uniforms, jackets, backpacks or tactical vests.
- **Durable materials:** Made from resistant, high-quality threads and fabric to maintain color and detail over time.
- **Size:** 6 cm width x 7 cm height — visible but not bulky.
- **Collector note:** Also available to verified collectors with the required license documentation.

**How to use / When it’s useful**

Use the patch to identify unit affiliation on uniforms, to personalize tactical equipment, or to display within a military surplus collection. It attaches quickly via the velcro backing and can be moved between compatible surfaces.

Quick answer: attach it to any loop-field (velcro) area on your uniform, rucksack or duty vest. In most cases, the patch is used by serving Army personnel for official wear and by licensed collectors for display or storage.

**Care and notes**

Keep the patch in good condition by handling gently and storing flat when not in use. Follow these practical notes and requirements.

- Remove the patch before washing the garment to protect embroidery and velcro when possible.
- Avoid harsh chemicals or aggressive cleaning methods that could fade stitching.
- Sale restricted: available only to Army members with a valid tesserino or to collectors with a

prefettizia license (ex art. 28 TULPS).
- When ordering, you must provide the required proof of eligibility or specify the barracks delivery address during registration.

## FAQ

**Q:** Who can buy the Patch Artiglieria a Cavallo Voloire?

**A:** Only serving members of the Italian Army with a valid tesserino proving unit membership, or collectors with a prefettizia license ex art. 28 TULPS, may purchase this patch.

**Q:** What is the patch made of?

**A:** The patch is embroidered with low-visibility thread on a durable backing and fitted with a hook-and-loop (velcro) rear for attachment. Materials are selected for lasting color and detail.

**Q:** What are the patch dimensions?

**A:** The patch measures 6 cm in width and 7 cm in height, designed to be visible without being obtrusive on uniforms or gear.

**Q:** How do I apply the patch?

**A:** Align the patch with a compatible loop field (velcro surface) and press firmly to attach. It can be removed and reattached as needed for different garments or equipment.

**Q:** Can I order this patch as a gift for someone in the Army?

**A:** You may order for an Army member only if you provide the required proof of membership (tesserino) or specify the barracks delivery address during registration so the sale conditions are met.

**Q:** How long does shipping take?

**A:** Shipping times vary by destination, but orders are generally dispatched within a few days of confirmation and receipt of required documentation.

**Tip:** Choose the correct variant and ensure you have the required tesserino or prefettizia license ready before checkout. Browse related tactical and military surplus patches to complete your uniform or collection.
