Product short description:

A metal pilot brevet featuring a stylized eagle of the Aeronautica Militare, designed for collectors, aviation enthusiasts and uniform displays. It pays tribute to the tradition and excellence of the Aeronautica Militare while serving as a tasteful addition to any collection.

- **Material:** High-quality metal with an engraved stylized eagle, built for lasting wear.
- **Design:** Classic pilot brevet motif symbolizing strength and freedom.
- **Use:** Suitable for collectors, aviation fans and to accent uniforms or display cases.
- **Condition:** Artisan-crafted finish that adds a refined, prestigious touch to any collection.

Product description:

Product overview

The Brevetto Metallo Aquila Stilizzata Pilota Aeronautica Militare is a gold-colored metal pilot badge designed for serving personnel of the Aeronautica Militare. It is intended to be worn on the

uniform by authorized military pilots and is sold only to eligible members or verified collectors.

Definition: a metal pilot brevet (badge) featuring a stylized eagle with pronounced angles, sized for uniform wear. This item is relevant for military duty, tactical collections, and military surplus enthusiasts who hold proper authorization.

Main features

Clean, durable construction and a distinctive design make this brevet suitable for uniform display and for verified collectors of military insignia.

- **Stylized design:** eagle with pronounced angles for a modern appearance.
- **Material:** gold-colored metal, built for durability.
- **Attachment:** rear pin fastening for secure placement on the uniform.
- **Size:** 7.2 cm x 2.2 cm — visible but not bulky.
- **Restricted sale:** reserved for Aeronautica Militare personnel and licensed collectors.

How to use / When it’s useful

Use this brevet as the designated pilot badge on the official uniform, following your unit’s regulations for placement and wear. It also serves collectors who document their authorization under national rules for historical or display purposes.

Quick answer: wear it on the uniform with the rear pin fastener, following service dress rules. In most cases, purchase requires registration details and proof of eligibility or a prefectoral license for collectors.

Care and notes

Basic care keeps the metal finish presentable; follow unit guidance for cleaning and storage when not in use.

- Keep dry and avoid abrasive cleaners to preserve the gold-colored finish.
- Attach and remove using the rear pin carefully to avoid fabric damage.
- Sale requires a copy of the service ID or indication of the barracks as delivery address during registration.
- Collectors must provide a copy of the prefectoral license (ex art. 28 TULPS) to complete the purchase.

FAQ

Q: Who can purchase this brevet?

A: Only serving personnel of the Aeronautica Militare and collectors who submit a valid

prefectoral license (ex art. 28 TULPS) may purchase this item.

Q: What are the badge dimensions?

A: The brevet measures 7.2 cm x 2.2 cm, sized to be visible on the uniform without being oversized.

Q: How is the brevet attached to the uniform?

A: It uses a rear pin fastening for secure attachment. Handle the pin carefully to avoid damaging the fabric.

Q: Can civilians or unaffiliated buyers purchase this badge?

A: No, sales are restricted. Civilians without the required prefectoral license cannot buy this brevet.

Q: What documents are needed to complete the purchase?

A: Military buyers must provide a copy of their service ID or list the barracks as the delivery location during registration. Collectors must supply the prefectoral license (ex art. 28 TULPS).

Q: Is this brevet suitable for collectors and displays?

A: Yes, when purchased with proper authorization. Collectors should keep documentation on file and follow legal requirements for display or sale.

Tip: Choose the correct item variant and confirm delivery details at registration. If you collect military insignia, check related duty and tactical badges to complete your set while ensuring you have the required authorization documents.
