Product short description:

Metal rank insignia for Brigadiere Capo, Qualifica Speciale of the Guardia di Finanza. Ideal for service personnel who want an official, durable emblem to complete their uniform.

- **Material:** High-quality metal construction with a durable finish.
- **Use:** Designed to attach to the uniform as a clear sign of rank and role.
- **Design:** Elegant, service-oriented style that preserves its appearance over time.
- **Care:** Easy to maintain; avoid harsh chemicals to keep the finish intact.

Product description:

Product overview

The Metal Rank Pair Brigadiere Capo Qualifica Speciale GdF are enamelled metal insignia made for serving members of the Guardia di Finanza to wear on rigid uniform epaulettes. They are intended for duty and ceremonial use by qualified personnel who require official rank insignia on

their service uniform.

Definition: a pair of screw-back, enamelled metal rank badges for Brigadiere Capo Qualifica Speciale of the Guardia di Finanza. Suitable for tactical, military surplus collectors and duty uniform replacements when authorized.

Main features

Compact, durable rank insignia designed to match official uniform standards while offering a secure attachment for daily wear.

- **High-quality materials:** Enamelled metal construction for durability and a professional finish.
- **Distinctive design:** Brigadiere rank topped by a five-point gold star with a speckled enamel rail from the Marescialli role.
- **Secure attachment:** Screw-back fitting for rigid epaulettes on the ordinary uniform.
- **Sold as a pair:** Includes both left and right insignia for standard epaulette mounting.
- **Restricted use:** Reserved for serving Guardia di Finanza personnel; sale requires verification.

How to use / When it’s useful

These ranks are fitted to the rigid shoulder epaulettes of the ordinary uniform using the rear screw fitting. They are suitable for daily duty wear, inspections, parades, and formal occasions where official insignia are required.

Quick answer: fit the screw-back posts through the epaulette holes and secure with the supplied nut on the inside. In most cases, the rank is used as a direct replacement for worn insignia or when issuing new uniform components to authorised personnel.

Care and notes

Keep the enamelled surface clean and avoid abrasive cleaners to preserve the finish; handle the screw fittings carefully to prevent loss.

- Clean with a soft, damp cloth; dry immediately.
- Keep screws and nuts tightened to avoid movement on the epaulette.
- Sale is reserved to serving Guardia di Finanza personnel and requires proof of service before purchase is approved.
- Availability is limited due to controlled distribution and verification procedures.

FAQ

Q: Who can purchase these ranks?

A: Only serving personnel of the Guardia di Finanza can purchase them, subject to verification of service or identity.

Q: How do I prove my eligibility to buy?

A: You must send a copy of your service card or a service certificate via the site’s attachment option or indicate your command headquarters as the delivery location during account registration for verification.

Q: What materials are the ranks made from?

A: The ranks are made from enamelled metal for a durable, professional appearance consistent with uniform requirements.

Q: How are the insignia fixed to the uniform?

A: They use a screw-back attachment designed for rigid epaulettes of the ordinary uniform, ensuring a secure fit when properly tightened.

Q: Why is availability limited?

A: Availability is limited to ensure the product remains reserved for authorised personnel and to allow time for identity and service verification before purchase.

Q: Are these sold individually or as a set?

A: The product is sold as a pair of metal ranks, supplying both sides needed for standard shoulder mounting.

Tip: Choose the correct variant and confirm your command or service documentation before ordering to speed verification; consider browsing related authorised uniform insignia and accessories for a complete duty or ceremonial setup.
