- **Tip:** Robust tip delivers smooth, precise writing in varied conditions.
- **Design:** Sleek, low-profile appearance that balances style and practicality.
- **Portability:** Solid build makes it a dependable companion to carry every day.

Product description:

Product overview

The Penna Tattica UZI in Alluminio Aeronautico is a tactical ballpoint pen designed for professionals, outdoor users, and anyone who values durable everyday carry. Definition: a compact ballpoint pen made from aeronautical-grade aluminum with a glass-breaker tip and a black-ink refill.

Built for durability and everyday use, this pen combines a solid metal body, a secure pocket clip and a simple twist mechanism. It fits well with tactical gear, military surplus kits, and police duty equipment where reliable tools are required.

Main features

Key features that make this pen practical and easy to carry:

- **Material:** Aeronautical-grade aluminum for a lightweight yet sturdy body.
- **Dimensions:** Length 15.2 cm; diameter 1.5 cm; compact and easy to hold.
- **Weight:** 49 g, suitable for everyday carry without bulk.
- **Ink and mechanism:** Black-ink ballpoint activated by twisting the rear section.
- **Glass-breaker tip:** Hardened tip designed for emergency glass breaking.
- **Pocket clip:** Black clip with slot for secure carrying in a jacket pocket.

How to use / When it’s useful

Use the pen by twisting the rear section to extend or retract the ballpoint. The black-ink refill is standard and replaceable, making the pen reusable for long-term duty and daily tasks.

Quick answer: Use it as a regular writing pen and as an emergency tool where a glass-breaker may be needed. In most cases, it serves well as an everyday carry item for professionals, outdoor users, and law enforcement who want a reliable tactical pen.

Care and notes

Simple care keeps the pen working reliably; avoid heavy impacts that could damage the refill or body.

- Keep the twist mechanism clean of grit to ensure smooth operation.
- Replace the ballpoint refill with a standard pen refill when ink runs out.
- Store dry to prevent corrosion despite the aluminum body.
- Warning: use the glass-breaker tip only in emergency situations to avoid injury or property damage.

FAQ

Q: How much does the pen weigh?

A: The pen weighs 49 grams, making it light enough for everyday carry while still feeling solid in hand.

Q: What are the pen’s dimensions?

A: Total length is 15.2 cm with a diameter of 1.5 cm, offering a comfortable grip for most users.

Q: Is the pen refillable?

A: Yes. The pen uses standard ballpoint refills that are commonly available, so you can replace the ink when needed.

Q: Is the glass-breaker tip safe to use?

A: The tip is designed for emergency use to break glass. It should be used only in emergencies and handled with care to avoid injury.

Q: Is the pocket clip durable?

A: The pen features a black clip with a slot that is designed to hold in a jacket pocket securely during normal daily use.

Q: Is this pen suitable for tactical, police, or military use?

A: The Penna Tattica UZI in Alluminio Aeronautico is designed as a durable tactical pen suitable for everyday carry in tactical, police duty, and military surplus setups where a reliable writing and emergency tool is required.

Tip: Choose the Penna Tattica UZI in the size and finish that fits your carry style, and check related tactical and military surplus items to build a complete duty or EDC kit.
