Product overview

These Corone Comandante Marina Mercantile are a pair of embroidered turreted crowns designed for Merchant Navy commanders and uniform suppliers. Definition: a set of two embroidered rank crowns, each topped with an anchor, intended for use on commander uniforms.

Handcrafted with gold canutiglia thread, each crown measures 35 mm wide by 20 mm high and is made from quality materials for long-lasting appearance. They are suitable for uniform shops, military surplus retailers, and duty/tactical suppliers stocking officer insignia.

Main features

Clear, professional insignia made to standard sizes for commander uniforms.

- **Embroidered turreted design:** detailed, traditional crown shape topped by an anchor.
- **Quality materials:** gold canutiglia thread for a refined look.
- **Compact size:** 35 mm width x 20 mm height—visible without being bulky.
- **Sold as a pair:** one for each shoulder or collar as required.
- **Easy to apply:** designed for straightforward attachment to uniforms.
- **Suitable for resale:** fits military surplus, tactical, and duty gear inventories.

How to use / When it's useful

Quick answer: these crowns are intended to be attached to commander uniforms where rank crowns are normally worn. They provide a formal, uniform appearance for Merchant Navy officers.

In most cases, installations are performed during uniform tailoring or by a qualified uniform supplier; placement follows the standard rules for Merchant Navy commander insignia. They are useful for active duty uniforms, ceremonial dress, uniform repair, and reseller stock.

Care and notes

Simple care preserves the embroidery and gold thread finish.

- Avoid abrasive cleaning or strong chemicals that could damage the thread.
- Handle gently when fitting or removing to protect stitching.
- Store flat or in a protective pouch to prevent crushing the embroidery.
- Limited stock: availability may be restricted due to demand and handcrafted production.

FAQ

Q: What are the dimensions of the crowns?

A: Each crown measures 35 mm in width and 20 mm in height.

Q: What material are the crowns made of?

A: They are embroidered with high-quality gold canutiglia thread.

Q: How are the crowns applied to the uniform?

A: The crowns are designed for easy application; typical installation is done during tailoring or by a uniform supplier to ensure a secure fit.
