Main features

Durable, regulation-style patch made for quick attachment and clear rank identification.

- Rectangular standard size to fit on polo shirts and tactical tops.
- Green background matching Esercito Italiano colors.
- Three embroidered black bars on a red field, indicating rank level.
- Two five-point embroidered stars above the bars, stitched with mottled black thread for definition.

- Available in high-visibility (brighter colors) and low-visibility (muted tones) variants.

How to use / When it’s useful

Attach the patch to the velcro panel on polos or shirts for clear rank display during duty, training, or ceremonies. The velcro backing allows quick changes between roles or when preparing uniforms for different occasions.

Quick answer: use the high-visibility version for parades and official events, and the low-visibility version for field or tactical operations. In most cases, the velcro system makes it easy to switch patches without sewing or permanent attachment.

- Store flat or in a pouch to avoid crushing the embroidered stars and bars.
- Sales restricted: only serving Esercito Italiano personnel or collectors with the required prefectural license may purchase this item.
