Product overview

The Distintivo Metallo GIS Carabinieri is a metal duty badge for members of the Gruppo Intervento Speciale (GIS) of the Arma dei Carabinieri. It is intended for service wear and for verified collectors who hold the required prefectoral license.

Definition: a 5.2 cm metal uniform badge showing the Carabinieri grenade above a gladius and parachute between two open wings, reserved for Carabinieri personnel and licensed collectors.

Main features

Designed for visibility on the ordinary uniform, this metal badge combines symbolic elements of the GIS and is built to last.

- **Symbolic design:** Carabinieri grenade above a gladius and parachute, flanked by two open wings.
- **High-quality metal:** durable construction suitable for duty and ceremonial wear.
- **Compact size:** 5.2 cm diameter — clearly visible on the ordinary uniform.
- **Reserved sale:** available to Arma dei Carabinieri personnel and licensed collectors only.
- **Verified authenticity:** purchase is subject to verification of service ID or delivery to the Command Station address.
- **Collectors' requirement:** collectors must present the prefectoral license per art. 28 TULPS.

How to use / When it's useful

Wear this badge on the ordinary Carabinieri uniform for duty, parades, or official representations; collectors may keep it for display within legal limits. It is suitable for police and tactical apparel contexts and appears in military surplus and duty badge collections.

Quick answer: this badge is for active Carabinieri GIS members and licensed collectors only. In most cases, ordering requires sending a copy of your service ID or indicating the Command Station delivery address so our staff can verify before enabling checkout.

Care and notes

Simple care keeps the metal looking good and ensures long service life; follow the sale and verification rules when purchasing.

- Wipe with a soft, dry cloth; avoid abrasive cleaners or prolonged exposure to moisture.
- Sale restricted to Carabinieri personnel; orders are verified before the product can be added to the cart.
- Collectors must provide a prefectoral license in accordance with art. 28 TULPS.
- Limited stock: availability may be constrained due to demand within the force and among collectors.

FAQ

Q: Who can purchase the Distintivo Metallo GIS Carabinieri?

A: Only personnel of the Arma dei Carabinieri and collectors who present the prefectoral license (art. 28 TULPS) may buy this badge. All purchases are subject to verification.

Q: What are the badge dimensions?

A: The badge measures 5.2 cm in diameter and is sized for visibility on the ordinary uniform.

Q: What material is the badge made of?

A: The badge is made of high-quality metal designed for durability and appropriate appearance for duty or display.

Q: How do you verify membership in the Carabinieri?

A: Verification is completed by submitting a copy of the service ID (tesserino) or by choosing the Command Station as the delivery address, which our staff will confirm before enabling checkout.
