Product short description:

A durable, multi-pocket black Cordura bag designed for daily use. Ideal for work, travel and casual wear, it provides organized storage for essential items with a clean, modern appearance.

- **Material:** Rugged Cordura fabric for reliable everyday wear.
- **Pockets:** Multiple compartments to keep phone, wallet, documents and accessories organized.
- **Use:** Practical for commuting, travel and leisure activities.
- **Design:** Sleek, contemporary look that pairs easily with any outfit and resists wear.

Product description:

Product overview

The Borsa Multi Tasca Cordura Nera is a rugged, multi-pocket black bag built for professionals who need organized, reliable carry for electronics and gear — suitable for tactical, duty, travel, and everyday use. It combines 1000D Cordura polyamide construction with a padded internal compartment for safe transport of laptops and sensitive equipment.

Definition: a durable, organiser-style Cordura bag with removable pocket panels and a discreet front pocket compatible with the "sistema velcrabile" for secure accessory or sidearm carry.

Main features

Compact but roomy, the bag focuses on protection, modular organisation and comfortable carry.

- **Material:** 1000D Cordura polyamide for high abrasion resistance and durability.
- **Padded internal compartment:** protects laptops and delicate electronics while on the move.
- **Removable multi-pocket panel:** adaptable organiser panel that can be removed to change internal layout.
- **Rear zippered document pocket:** secure, quick access storage for papers and small items.
- **Front hidden pocket:** compatible with the "sistema velcrabile" for discreet pistol or accessory carry.
- **Multiple external pockets:** varied sizes on the front and double side pockets for radios, bottles and tools.
- **Comfort and hardware:** adjustable shoulder strap with anti-slip system and P6 material buckles.

How to use / When it’s useful

Use this bag for daily duty, field work, travel, or any situation where you need organised storage for electronics and small tactical items. The removable panel lets you customise pockets for radios, magazines, bottles, or personal items.

Quick answer: carry a laptop and tools securely while keeping frequently used items accessible. In most cases, the bag works well for police, security, military surplus needs, or civilian tactical use thanks to its durable Cordura fabric and configurable layout.

Care and notes

Simple care keeps the bag functional and looking good; the material is water-resistant but not fully waterproof.

- Spot clean with a damp cloth and mild soap; avoid machine washing.
- Do not submerge the bag; allow to air dry away from direct heat.
- Remove the multi-pocket panel before cleaning or reconfiguring the interior.
- Material offers water resistance but is not fully waterproof—avoid prolonged exposure to heavy rain.

FAQ

Q: What electronic devices fit in the bag?

A: The bag includes a padded internal compartment designed for laptops and similar delicate electronics. Check your device dimensions against the bag measurements to confirm fit.

Q: Is the shoulder strap adjustable?

A: Yes, the shoulder strap is adjustable and features an anti-slip system for added comfort during extended carry.

Q: Is the bag waterproof?

A: The 1000D Cordura polyamide offers good water resistance but the bag is not fully waterproof. Avoid heavy rain or submersion for best results.

Q: Can I remove the multi-pocket panel?

A: Yes, the multi-pocket panel is adaptable and removable so you can reorganise the interior for different missions or daily tasks.

Q: What are the bag dimensions?

A: Dimensions are width 55 cm x depth 31 cm x height 30 cm, providing roomy storage without excessive bulk.

Q: Is the front hidden pocket suitable for carrying a pistol?

A: The front hidden pocket is compatible with the "sistema velcrabile" and intended for discreet pistol or accessory carry. Always follow local laws, safety procedures, and proper training when carrying a weapon.

Tip: Choose the variant or size that best fits your laptop and carry needs, and browse related tactical, duty, or police bags to build a matching kit.
