Product overview

The **Nastrino 1^ Classe Missioni di Sorveglianza ad Alta Valenza Operativa** is a service ribbon awarded to personnel of the **Marina Militare** who took part in at least eight high?value surveillance missions, each lasting at least 20 days. Definition: a military service ribbon recognizing sustained participation in operational surveillance missions.

This ribbon is intended for Navy service members and for collectors of military, tactical, or duty insignia. It combines a clear official design with durable construction for display on uniform ribbon bars and multi?ribbon mounts.

Main features

Clear, regulation?based design and practical mounting options make this ribbon suitable for uniform wear or display.

- **Official dimensions:** 10 mm high × 37 mm wide; central blue rectangle 5 mm × 28 mm with a five?point gold star.
- **Color and design:** white background with central blue panel and gold star, matching the described official pattern.
- **Durable materials:** made to retain appearance and integrity under regular use and display conditions.
- **Formats available:** standard regulation format or slightly domed **Elite** format.
- **Rear attachment options:** available with clamps or screws, selectable from the product menu.
- **Mounting:** compatible with multi?place ribbon racks (two or more positions) on a single metal base.

How to use / When it’s useful

Quick answer: use this ribbon on the uniform ribbon bar or on a multi?ribbon mount to display earned service recognition. It is suitable for formal dress, presentation, or collection displays.

In most cases, select the rear attachment (clamps or screws) that matches your existing ribbon bar or metal base. Choose the standard or Elite format based on personal preference for flat or slightly domed appearance.

Care and notes

Designed for long?term display, the ribbon still benefits from basic care to keep its appearance and fastening secure.

- Store and display away from prolonged direct sunlight to avoid fading.
- Wipe gently with a soft cloth; avoid harsh chemicals or abrasive cleaners.
- Check the chosen rear fastener (clamps or screws) for secure fit before wear.
- Limited availability: stock may be restricted—select your preferred variant when ordering.

FAQ

Q: Who is eligible to receive this ribbon?

A: The ribbon is for personnel of the **Marina Militare** who participated in at least eight high?value surveillance missions, each lasting a minimum of 20 days (not necessarily continuous).

Q: What are the exact dimensions of the ribbon?

A: The ribbon measures 10 mm in height and 37 mm in width. The central blue rectangle is 5 mm by 28 mm and is marked with a five?point gold star.

Q: Which formats are offered?
