Product overview

The Nastrino 2^ Classe Missioni di Sorveglianza ad Alta Valenza Operativa is a service ribbon issued to personnel of the Marina Militare who have taken part in at least four high-value surveillance missions, each lasting a minimum of 20 days (not necessarily continuous). This

ribbon is intended for qualified service members, as well as collectors and military surplus enthusiasts seeking authentic-style ribbons.

Definition: A 2nd Class ribbon for high-value surveillance missions, produced to the stated dimensions and available in standard or slightly domed "Elite" formats.

Main features

Well-defined design and durable construction make this nastrino suitable for display, replacement on ribbon bars, or inclusion in military surplus collections.

- **Distinctive design:** White ribbon, 10 mm high by 37 mm wide, with a central blue rectangle 5 mm high by 28 mm wide and a five-point gold star at the center.
- **Durable materials:** Made from resilient materials to retain color and shape over time.
- **Available formats:** Standard regulatory format or slightly domed "Elite" format.
- **Attachment options:** Rear fittings available with clamps or screws—selectable from the product options.
- **Mounting compatibility:** Suitable for multi-slot ribbon bars (two or more positions) on a single metal base.
- **Limited availability:** Produced in controlled quantities; demand is high among collectors and duty personnel replacing service ribbons.

How to use / When it’s useful

Quick answer: Use this nastrino to replace a worn ribbon or to display recognized participation in qualifying missions on an approved ribbon bar. It is designed to fit standard ribbon mounts used in naval and military displays.

In most cases, it is mounted with other service ribbons on a metal ribbon bar or kept as part of a collection of military surplus or tactical memorabilia. Choose the attachment type (clamps or screws) that matches your ribbon bar or display needs.

Care and notes

Simple care preserves appearance and serviceability; follow these practical notes when handling or mounting the ribbon.

- Store in a dry place away from direct sunlight to avoid fading.
- Do not use harsh chemicals or abrasive cleaning that could damage the fabric or star detail.
- Select the correct rear attachment (morsetti/clamps or screws) for your ribbon bar to ensure a secure fit.
- Verify entitlement and uniform regulations before wearing on official dress; this product is supplied as described for display, replacement, or collection.
