Product overview

The Tubolarino Plastica Colonnello Esercito is a plastic rank insignia designed for officers of the

Italian Army (Esercito) and the Corpo Militare della Croce Rossa. It is intended to be worn on the EI camouflage combat uniform as a professional duty insignia.

Definition: a molded plastic tubular rank badge (tubolarino) for the rank of Colonnello, featuring the turreted crown of the Italian Republic and low-visibility stars. This tactical, military-surplus style accessory identifies rank while matching combat uniform patterns.

Main features

Durable, purpose-made, and restricted to authorized personnel, this tubolarino combines practical construction with official insignia details:

- **Material:** Made of durable plastic suitable for operational use.
- **Design:** Tubolarino on a khaki sleeve cover reproducing the turreted crown of the Italian Republic with three five-point low-visibility stars.
- **Size:** Dimensions 5 x 7.5 cm — fits EI camouflage combat uniforms.
- **Restricted issue:** Reserved for Esercito and Corpo Militare Croce Rossa personnel.
- **Authenticity checks:** Sale requires a copy of military ID or delivery to the barracks address to verify entitlement.
- **Collector purchases:** Available to verified collectors upon submission of the prefettizia license (ex art. 28 TULPS).

How to use / When it’s useful

Apply the tubolarino to the designated sleeve position on the EI camouflage combat uniform to display rank clearly and professionally. It is intended for routine duty, formal inspections, and any situation where rank must be visibly identified on camouflage gear.

Quick answer: wear it on the uniform sleeve in the prescribed position for Colonnello. In most cases, purchase will require proof of service or delivery to your unit's barracks; collectors must provide the specific prefettizia license when requested.

Care and notes

Basic care will keep the tubolarino looking professional while preserving its appearance during operational use.

- Clean with a soft cloth and mild soap; avoid strong solvents that could affect the finish.
- Store with uniforms to prevent bending or deformation of the plastic.
- Do not wear or display if you are not authorized to use this rank insignia.
- Purchase is subject to verification—have military ID or barracks delivery details ready.

FAQ

Q: Who can buy the Tubolarino Plastica Colonnello Esercito?

A: Only personnel of the Italian Army (Esercito) and the Corpo Militare della Croce Rossa can purchase this item, subject to verification of membership via military ID or approved delivery to the barracks.

Q: What are the tubolarino dimensions?

A: The tubolarino measures 5 x 7.5 cm, designed to fit the EI camouflage combat uniform sleeve in the standard position for a Colonnello.

Q: Can collectors buy this tubolarino?

A: Yes. Collectors must provide a copy of the prefettizia license (ex art. 28 TULPS) as part of the verification process before purchase is completed.

Q: How is authenticity verified?

A: Authenticity and eligibility are confirmed by submitting a copy of military ID or by choosing delivery to the barracks where the service member is posted. This ensures correct and lawful use of the insignia.

Q: What material is the tubolarino made from?

A: It is made from durable plastic intended for operational use. The material offers wear resistance suitable for routine duty conditions without claiming specific certifications.

Q: How should I provide delivery details for barracks pickup?

A: During registration or checkout, provide the barracks address as the delivery location and indicate the unit where you serve. The purchase will be processed once verification requirements are met.
