Product description:

Product overview

These are plastic rank slides for the Sergente of the Aeronautica Militare, intended for personnel in the Supporto Logistico category. They are designed to be fitted over shirt and sweater shoulder

straps to present a neat, official appearance.

Definition: A pair of plastic rank slides showing the Sergente insignia with a Supporto Logistico emblem, made to fit standard uniform shoulder straps. Suitable for military, tactical, and duty use and of interest to collectors of military surplus items.

Main features

Durable, accurate reproductions made to uniform specifications for appearance and fit.

- **Material:** Tough plastic construction for everyday wear resistance.
- **Design:** Blue fabric sheath with a gold gallone and a smaller gold galloncino arranged in a V, tip pointing down.
- **Measurements:** Gallone total width 35 mm; each wing length 25 mm; internal gap between gallone and galloncino 2 mm with blue edging.
- **Category symbol:** Supporto Logistico indicated by a round badge showing a four-point compass rose.
- **Fit:** Sold as a pair and intended for direct application on shirt or sweater shoulder straps.

How to use / When it’s useful

Quick answer: Slide the pair onto the shoulder straps of your uniform shirt or sweater so the insignia sits flat and centered. They are most useful for on-duty presentation and formal uniform wear.

In most cases, installation is simple and requires no tools—push the sleeve over the strap until it rests in position. These rank slides are also suitable for collectors who hold the required permissions and for uniform replacements in tactical or duty settings.

Care and notes

Basic care keeps the plastic and fabric sheath clean and presentable; handle gently to preserve the edges and embroidery detail.

- Made-to-order lead time: 20 working days from order.
- Sale restricted: Purchase requires a copy of military identification or delivery to your assigned barracks address for verification.
- Collectors must provide a valid licenza prefettizia ex art. 28 TULPS before purchase is approved.
- Apply by sliding onto the shoulder strap; avoid forcing or bending the plastic to prevent deformation.

FAQ

Q: How long does delivery take?

A: Delivery takes 20 working days from the order date because these rank slides are produced on request.

Q: Who is allowed to buy these rank slides?

A: Only Aeronautica Militare personnel with valid ID or collectors with a licenza prefettizia ex art. 28 TULPS are eligible to purchase.

Q: What documentation is required to complete the purchase?

A: Military buyers must submit a copy of their service ID or use their barracks as the shipping address for verification. Collectors must supply the prefettizia license copy.

Q: How are the slides applied to the uniform?

A: They slide over shirt or sweater shoulder straps and should rest flat. No tools are needed; fit carefully to avoid stretching the plastic.

Q: Are these original issue or replicas?

A: The product reproduces the Sergente Supporto Logistico insignia and dimensions as described; it is intended for authorized use by personnel and licensed collectors.

Q: Can I return the product if it doesn’t fit?

A: Returns may be restricted due to the made-to-order nature and the verification process. Contact customer service before ordering for details on returns and exchanges.

Tip: Choose the correct variant and confirm your verification documents before ordering to avoid delays; browse related tactical and military surplus items to complete your uniform or collection.
