- **Low-visibility design:** Olive-green background with subdued stars for discreet use in the field.
- **Durable materials:** Built to withstand regular wear and demanding conditions.
- **Easy Velcro application:** Quick to attach and remove from shirts or polos.
- **Size:** 6.5 cm width x 5 cm height—visible but not bulky.
- **Restricted sale:** Reserved for Esercito Italiano personnel; collectors require prefectoral license ex art. 28 TULPS.

How to use / When it’s useful

Apply the patch to the Velcro area on an olive-green Army shirt or polo; press firmly so the hook-and-loop holds the patch in place. Quick answer: the patch attaches directly to standard Velcro panels on uniform tops.

Use this patch for regular duty, low-visibility operations, or to complete a rank display in a military surplus collection. In most cases, you will need to provide proof of service or the required collector license before purchase and shipment.

Care and notes

Simple care keeps the patch looking correct and ensures the Velcro backing functions properly.

- Store dry and flat to avoid deforming the patch.
- Clean gently by hand if needed; avoid aggressive washing that could damage stitching or Velcro.
- Sale restrictions apply: a copy of military ID or the service barracks as delivery address is required for verification.
- Collectors must provide the prefectoral license (ex art. 28 TULPS) to complete the purchase.
