Multifunction Cutlery Kit is a compact, lightweight set designed for outdoor meals and everyday use. Ideal for camping, picnics or office lunches, it provides durable, easy-to-carry tableware wherever you go.

- **Material:** High-quality stainless steel for durability and corrosion resistance.
- **Contents:** Fork, knife and spoon in a space-saving design.
- **Use:** Suited to camping, picnics and packed lunches.
- **Care:** Easy to clean and convenient to transport.

Product description:

Product overview

The Kit Posate Multifunzione is a compact, all-in-one cutlery and tool kit designed for campers, hikers, outdoor enthusiasts, and anyone who needs a practical solution for meals and small field tasks. Definition: a stainless-steel multifunction cutlery kit with built-in tools and LED light for outdoor and duty use.

Made from high-strength stainless steel with a non-slip plastic handle, this kit combines durable construction with a very small folded size for easy carry. It is suitable for tactical, military surplus, police duty use and general outdoor activities where space and reliability matter.

Main features

Compact, durable and multi-functional—key specs and tools at a glance:

- **High-strength stainless steel** construction for long-lasting durability.
- **Non-slip plastic handle** for a secure grip in wet or difficult conditions.
- **Compact folded size:** 10.5 x 3 x 3 cm for convenient storage in a pack.
- **Tool set:** knife, fork, spoon, can opener, file, flat-head screwdriver, bottle opener, LED light, hook and saw.
- **Tool lengths:** blade 7.5 cm; fork and knife 10.2 cm.
- **Lightweight:** approximately 200 g, easy to carry on trips or in a duty kit.

How to use / When it’s useful

Quick answer: use this kit for meals, light repairs, and low-light tasks while camping, hiking, or on duty. It folds small for pocket or pack storage and offers basic tools to handle common outdoor needs.

In most cases, the kit covers everyday field needs—cutting food, opening cans and bottles, minor screwing or filing, and brief lighting with the LED. Keep in mind it contains sharp tools and is not intended as a child’s toy; supervise use around minors.

Care and notes

Simple care keeps the kit functional and extends its life. Follow these practical points:

- Dishwasher safe, but hand washing is recommended to preserve finish and moving parts.
- The LED runs on replaceable batteries (not rechargeable); replace batteries as needed.
- Contains sharp tools—keep away from children without supervision.
- Currently no spare parts are offered, so handle with care and check tools before travel.

FAQ

Q: Is the Kit Posate Multifunzione dishwasher safe?

A: Yes, it is dishwasher safe, but hand washing is recommended to help preserve the finish and moving parts for longer life.

Q: Is the LED light rechargeable?

A: No, the LED uses replaceable batteries rather than a rechargeable cell. Replace batteries when light output decreases.

Q: Is this kit suitable for children?

A: No, the kit includes sharp items and small parts and is not recommended for unsupervised use by children.

Q: What is the folded size and weight of the kit?

A: Folded dimensions are 10.5 x 3 x 3 cm and the kit weighs approximately 200 grams, making it compact and easy to carry.

Q: Which tools are included?

A: The kit includes a knife, fork, spoon, can opener, file, flat-head screwdriver, bottle opener, LED light, hook and saw for basic outdoor and duty tasks.

Q: Can I buy replacement parts?

A: At present we do not offer spare parts for this kit. Inspect tools regularly and follow care instructions to maintain function.

Tip: Choose the kit variant that best fits your pack or duty belt size and compare related tactical and outdoor items to complete your kit. Browse related tactical, military surplus, and police duty gear to find complementary tools and accessories.
