- **Edge:** Black gros-grain trim for added strength at high-wear points.
- **Adjustable fit:** Rear straps allow size adjustment for a stable fit.
- **Available sizes:** 57, 58, 59, 60 (see sizing guide below).
- **No badge:** Supplied without insignia, available for civilian purchase and styling.
- **Designed for varied use:** Suitable for operational training, tactical-style outfits and everyday military-inspired fashion.

How to use / When it’s useful

Quick answer: Wear the beret for field training, tactical-style uniforms, duty-style looks or as a military-surplus fashion accessory. It works well in varied environments where a reliable, structured headwear is needed.

In most cases, choose the size that matches your head circumference to ensure proper fit and comfort. To measure: 1) Place a soft measuring tape around the head at mid-forehead, just above the ears. 2) Record the circumference where the tape meets. 3) Match your measurement to the size chart: Size 57 = 56–57 cm, Size 58 = 57–58 cm, Size 59 = 58–59 cm, Size 60 = 59–60 cm.

Care and notes

Basic care will preserve shape and fabric performance. Follow these simple steps and precautions to keep the beret in good condition.

- Prefer professional dry cleaning or gentle hand wash in cold water; avoid harsh detergents.
- Do not tumble dry; reshape while damp and air dry flat to maintain the beret’s form.
- Avoid direct heat and prolonged sun exposure which can damage wool and the gros-grain trim.
- Note: the beret is supplied without a badge and is available for civilian purchase.

FAQ

Q: What is the beret made of?

A: The beret is made of 94% wool and 6% viscose, with a black gros-grain edge for added

durability.

Q: Which sizes are available?

A: Available sizes are 57, 58, 59 and 60. Each size corresponds to a head circumference range (Size 57 = 56–57 cm, up to Size 60 = 59–60 cm).

Q: How do I find the right size?

A: Measure head circumference with a soft tape placed around the mid-forehead and above the ears, then match the measurement to the size chart provided above.

Q: Is the beret sold to civilians?

A: Yes. The beret is supplied without a unit badge, so it is available for civilian purchase and everyday wear.

Q: Is the beret suitable for tactical or duty use?

A: The beret is designed to meet practical needs for training and duty-style wear, offering durability and a stable fit for routine use.

Q: How should I clean and store the beret?

A: Best practice is professional dry cleaning or gentle hand washing in cold water, then air drying flat and reshaping to keep the structure intact.

Tip: Choose the correct size for comfort and fit, and consider browsing related tactical and military surplus items to complete a coordinated duty or casual military-style outfit.
