Product short description:

The "NON ARTICLE 5" metal clamp is a durable fastening solution for professionals and DIYers who need reliable holding power. Built from quality materials, it delivers a secure, long-lasting grip for industrial and home projects.

- **Material:** Quality metal construction for durability and consistent performance.
- **Use:** Secures cables, pipes and various components in industrial, workshop and household applications.
- **Installation:** Intuitive design allows quick fitting without special tools.
- **Versatility:** Robust and adaptable for multiple fastening tasks.
- **Result:** Ensures a tidy, secure and professional finish.

Product description:

Product overview

The Fascetta Metallo NON ARTICLE 5 is a bronzed, burnished metal bar engraved with "NON ARTICLE 5" designed for the ribbon of the NATO Non Article 5 medal. It is intended for service

members, medal collectors, and those dressing ceremonial or duty uniforms who want a professional, finished look.

Definition: A small metal bar that attaches to the medal ribbon to identify and enhance the NATO Non Article 5 medal. Available in two sizes (37 mm full size and 20 mm miniature gala) selectable from the dropdown.

Main features

Built to be durable and easy to use, this fascetta suits collectors, military surplus displays, and police or duty ceremonial wear.

- **Material:** Bronzed, burnished metal for long-lasting appearance.
- **Engraving:** Clear "NON ARTICLE 5" inscription for identification and professional finish.
- **Two sizes:** Full size 37 mm and miniature gala 20 mm.
- **Easy attachment:** Designed to hang on the medal ribbon without the need for tools.
- **Suitable uses:** Ceremonial events, uniform displays, and military surplus collections.

How to use / When it’s useful

Quick answer: Hang the fascetta on the medal ribbon and position it so the engraving is visible when worn. In most cases, the 37 mm fits full-size NATO medals and the 20 mm fits miniature gala versions.

Use it for formal parades, award ceremonies, or when cataloguing military surplus and collector pieces. It provides a neat, consistent look for duty, police, and ceremonial uniforms.

Care and notes

Simple care will keep the fascetta in good condition while preserving the finish and engraving.

- Wipe with a soft, dry cloth to remove fingerprints and dust.
- Avoid abrasive cleaners or strong chemicals that could damage the finish.
- Store separately to prevent scratches from other metal items.
- Note: Specifically made for the NATO Non Article 5 medal—check compatibility before purchase.

FAQ

Q: What sizes are available for the Fascetta Metallo NON ARTICLE 5?

A: It is available in two sizes: 37 mm (full size) and 20 mm (miniature gala). Select the size from the product dropdown before adding to cart.

Q: What material is the fascetta made of?

A: The fascetta is made of bronzed, burnished metal designed to provide a durable finish and a professional appearance.

Q: How do I attach the fascetta to the medal?

A: The fascetta is designed to hang on the medal ribbon without additional tools—position it on the ribbon so the engraving faces forward.

Q: Is this fascetta compatible with all NATO medals?

A: The design is intended specifically for the NATO Non Article 5 medal. Verify the ribbon width and size before purchase to ensure proper fit.

Q: Will the finish wear off over time?

A: With normal use and basic care (gentle cleaning and separate storage), the bronzed burnished finish should remain intact. Avoid abrasive chemicals to prolong appearance.

Q: Is the product in stock?

A: Stock levels can vary. The listing notes limited availability—add the preferred size to your cart to secure the item while supplies last.

Tip: Choose the correct size (37 mm for full-size medals, 20 mm for miniatures) from the dropdown and consider browsing related items for matching ribbons, medal hangers, and display options to complete your collection.
