### Product overview

The Nastrino Valore Civile Bronzo Senza Stella is a civil valor ribbon awarded historically to recognize acts of exceptional courage and civic virtue; it is intended for collectors, historians, museums, and those restoring period uniforms. Definition: a 37 mm bronze civil valor ribbon issued until 6 November 1960, worn to mark public honor for brave actions.

This ribbon suits military surplus collections, tactical display cases, and police memorabilia. It is

available in the regular 37 mm format and an Elite variant with optional ribbon bar fittings selected via the product options.

**Main features**

Simple, historically accurate ribbon options for display or replacement use.

- **Regular size:** 37 mm standard format for consistent appearance.
- **Concession date:** Issued until 6 November 1960 (as per historical legislation).
- **Durable materials:** Made to resist handling and retain color over time.
- **Elite option:** Available in an upgraded Elite finish with selectable ribbon bar fittings.
- **Loose ribbon option:** Can be purchased as a loose ribbon for fitting to a medal.
- **Compatible display:** Suitable for single ribbons or mounting on multi-ribbon bars.

**How to use / When it’s useful**

Use this ribbon for historical displays, uniform restoration, museum exhibits, or private collections to represent the civil valor award accurately. It is also useful as a replacement ribbon for medals awarded before 1960.

Quick answer: choose the 37 mm regular format for authentic presentation, or the Elite variant if you want a refined mount. In most cases, select the portanastrino or multi-ribbon bar option from the dropdown when ordering to prepare for mounting on a ribbon bar.

**Care and notes**

Keep the ribbon in dry, cool storage and handle it gently to preserve its shape and color. Note that availability is limited due to its historical concession date.

- Store flat or on a padded mount to avoid creasing.
- Avoid prolonged exposure to sunlight or moisture to protect the fabric.
- Select the loose ribbon option if you plan to attach it to an existing medal.
- Choose the Elite variant and ribbon bar fittings from the product options if needed.
- Limited availability: items issued until 6 November 1960 may be in short supply.

## FAQ

**Q:** What size is the Nastrino Valore Civile Bronzo Senza Stella?

**A:** The ribbon is supplied in the regular 37 mm format, which matches historical specifications for presentation and mounting.

**Q:** Is there a more refined or mounted version available?

**A:** Yes. An Elite variant is offered with optional ribbon bar fittings that can be selected from the product options at checkout.

**Q:** Can I buy the ribbon as a loose piece to fit my medal?

**A:** Yes. A loose ribbon option is available for customers who need to attach the ribbon to an existing medal or a custom mount.

**Q:** Until when was this ribbon officially issued?

**A:** The Nastrino Valore Civile Bronzo Senza Stella was issued up to 6 November 1960, according to the historical decrees and legislation referenced.

**Q:** What materials are used for the ribbon?

**A:** The ribbon is made from durable woven materials designed to hold color and shape over time; it is intended for display and long-term collection use.

**Q:** How do I prepare the ribbon for a multi-ribbon bar?

**A:** Choose the appropriate portanastrino or multi-ribbon mounting option in the product menu when ordering so the ribbon is ready to mount on a ribbon bar.

**Tip:** When ordering, choose the correct variant (regular 37 mm or Elite) and whether you need a loose ribbon or mounted option to match your collection or uniform; browse related ribbons and mountings to complete a historically accurate display.
