Product description:

Product overview

Mostrine Sanità AVES are a pair of enamelled metal rank badges for the **Corpo Sanitario AVES** (Aviazione Esercito), intended for serving Army personnel and licensed collectors. They serve as a visible sign of unit affiliation and professional identification for medical staff within the

Army aviation branch.

Definition: A pair of rectangular enamelled metal insignia, sized 2.5 cm x 5 cm, designed for military dress and collection purposes. These items are sold under restrictions and require identity verification before shipment.

Main features

These insignia combine clear symbolism with durable materials suitable for duty uniforms and collectibles in the military surplus market.

- **Rear clamp attachment:** Rectangular badges with a secure clamp-style fastener for easy fitting.
- **Distinctive design:** Lower end shows a maroon single-point flame with a raised five-point silver star; upper end displays a golden eagle above a flaming torch on a light blue field.
- **Compact size:** 2.5 cm x 5 cm—small enough for uniform wear without bulk.
- **Material:** Enamelled metal for durability and lasting appearance.
- **Restricted issue:** Reserved to **Esercito** personnel; collectors may purchase only with the required prefectural license (ex art. 28 TULPS).

How to use / When it’s useful

These insignia are intended for authorised wear on service uniforms according to unit regulations or for display in a collection of military surplus and tactical memorabilia. Use them where regulations allow and keep verification documents ready for purchase and shipping.

Quick answer: Purchase and shipment require proof of military service or a valid collector's license. In most cases, orders are shipped after identification is verified or when the delivery address is the registering barracks address.

Care and notes

Simple care will keep the enamel and metal looking their best while respecting the restrictions tied to this product.

- Wipe gently with a soft, dry cloth; avoid abrasive cleaners to protect the enamel finish.
- Store in a dry place to prevent corrosion or enamel damage.
- Sale and shipment require either a copy of the military ID or, for collectors, the prefectural license (ex art. 28 TULPS).
- Limited availability: stock is restricted and demand is high, so verify eligibility before ordering.

FAQ

Q: Who can buy the **Mostrine Sanità AVES**?

A: These badges are reserved for serving **Esercito** personnel. Non-military buyers must provide a valid prefectural license (ex art. 28 TULPS) to purchase.

Q: What are the dimensions?

A: Each badge measures 2.5 cm x 5 cm. The pair is compact and suitable for standard uniform use.

Q: What material are the insignia made of?

A: The badges are made of enamelled metal, designed for durability and to maintain appearance during normal use.

Q: How is shipping handled?
