How to use / When it’s useful

Quick answer: Attach the rigid shoulder boards to the uniform shoulders for duty, ceremonies, or official representation in the Marina Militare. They are intended to be worn by the designated rank and role.

In most cases, these shoulder boards are used on dress and service uniforms to show rank and role. Collectors can purchase them only after providing the required prefectoral license (ex art. 28 TULPS) and following verification rules.

Care and notes

Simple care preserves the appearance and longevity of the shoulder boards; follow verification requirements before purchase.

- Spot clean with a damp cloth; avoid machine washing or abrasive cleaning methods.
- Store flat or in a protective cover to prevent creasing or damage to embroidery.
- Sale requires submission of a copy of the service ID card or indication of the barracks as delivery address.
- Collectors must send a copy of the licenza prefettizia ex art. 28 TULPS for purchase approval.

FAQ

Q: Who can buy these Controspalline Primo Luogotenente Nocchiere di Porto Marina Militare?

A: These shoulder boards are reserved for active-duty personnel of the Marina Militare. Purchase is only completed after verification of service ID or delivery to the listed barracks.

Q: What are the exact dimensions?

A: The pair measures 13.5 cm x 6 cm, sized to fit standard uniform shoulder placements for the indicated rank.

Q: How long does delivery take?

A: Delivery is provided within 20 working days from the date of order. Allow additional time for verification checks if documentation is required.
