Product short description:

Collector's patch for the 2° Stormo Caccia, a high-quality embroidered emblem that celebrates the unit's aviation heritage. Ideal for aviation enthusiasts, veterans, and collectors seeking a distinctive military-style patch.

- **Material:** High-quality fabric with detailed embroidery for clear colors and definition.
- **Design:** Intricate artwork and vivid colors that reflect the squadron's history and insignia.
- **Use:** Can be applied to jackets, backpacks, or caps to add a distinctive, patriotic touch.
- **Ideal for:** Collectors, aviation fans, and service members who want to carry the pride of the 2° Stormo Caccia.

Product description:

Product overview

The Embroidered Patch 2° Stormo Caccia with rear Velcro is the official unit insignia designed for personnel assigned to the Italian Air Force (Aeronautica Militare) 2° Stormo Caccia. It is intended for active service members to wear on their flight suits as a visible sign of unit identity and

tradition.

Definition: an embroidered identification patch reserved for active members of the 2° Stormo Caccia. This flight suit patch is suitable for tactical and duty use within the unit and for those handling military surplus or official gear.

Main features

Well-defined embroidery and a secure Velcro backing make this patch practical for uniform use while preserving the unit’s traditional design.

- **Size:** 6.5 cm x 8.5 cm — standard for flight suits.
- **Material:** high-quality embroidered fabric with precise stitching.
- **Backing:** integrated Velcro for secure, quick attachment.
- **Design:** light blue field with a black lancer running on a white cloud, straight lance and rising sun motif.
- **Eligibility:** sale restricted to active Aeronautica Militare personnel assigned to 2° Stormo Caccia.

How to use / When it’s useful

Use this patch on the flight suit at the designated chest or sleeve Velcro panel to display unit affiliation during operations, training or official duties. The integrated Velcro keeps the patch firmly in place while allowing easy removal when needed.

Quick answer: the patch is intended for active members of the 2° Stormo Caccia only. In most cases, it is attached to the flight suit via the sewn Velcro backing and worn as part of the official uniform or duty kit.

Care and notes

Follow basic garment care for embroidered items and observe the purchase restrictions that apply to this official insignia.

- Velcro is integrated and not removable.
- Returns accepted only for manufacturing defects; inspect on arrival and report issues to customer service.
- Purchase requires proof of service (military ID or service certificate) and may require delivery to your command for verification.
- Delivery times begin after verification of military status; shipping costs depend on destination and chosen method.

FAQ

Q: Who can buy the Embroidered Patch 2° Stormo Caccia?

A: Only active personnel of the Aeronautica Militare specifically assigned to the 2° Stormo Caccia are eligible to purchase this patch.

Q: How do I prove I belong to the 2° Stormo Caccia?

A: You must provide a copy of your military ID or a service certificate during the order process. You can also use your command as the delivery address for verification.

Q: Can someone outside the unit buy the patch?

A: No. The patch is reserved exclusively for serving Aeronautica Militare personnel assigned to the 2° Stormo Caccia.

Q: Is the Velcro backing removable?

A: No. The Velcro is integrated into the patch design to ensure a secure and durable attachment to the flight suit.

Q: How can I be sure the patch is official?

A: The patch offered here is supplied as an official unit emblem and is sold under the conditions that verify buyer eligibility with the Aeronautica Militare.

Q: What about returns and delivery time?

A: Returns are accepted only for manufacturing defects. After verification of your military ID and order confirmation, delivery typically proceeds within 24 hours from payment confirmation.

Tip: Check the patch size (6.5 cm x 8.5 cm) and ensure your flight suit has a compatible Velcro panel before ordering; also consider browsing related military and tactical patches to complete your duty kit.
