- **Design:** Elegant, finely detailed insignia that reflects airborne tradition.
- **Audience:** Recommended for collectors and military history enthusiasts.

**Product description:**

### Product overview

The Brevetto Metallo Paracadutismo Tedesco is a gold-toned metal parachutist badge designed for display on an ordinary service uniform. It is suitable for collectors, reenactors, and military or police personnel who need a period-style insignia for dress or display.

Definition: a gold-toned metal parachute qualification badge sized for standard uniform mounting. Keywords: tactical badge, military surplus insignia, duty and police uniform accessory.

**Main features**

Compact, durable and visually detailed, this metal badge fits on standard uniforms and is intended for both display and wear where regulations allow.

- **Material:** gold-toned metal for long-lasting appearance.
- **Size:** 6.8 x 2.3 cm (compact and unobtrusive on the uniform).
- **Design:** detailed parachutist motif for a refined look.
- **Wearability:** made to be mounted on ordinary service dress.
- **Suitable for:** collectors, reenactors, tactical and military surplus displays, and duty or police ceremonial use.

**How to use / When it’s useful**

Quick answer: attach to your uniform according to your unit or department regulations; the badge is sized to sit neatly on standard dress. Use it for dress uniforms, collections, or display cases.

In most cases, the badge is useful for ceremonial wear, historical displays, and tactical or military surplus collections. If you are active duty or on police assignment, confirm local rules before wearing on service clothing.

**Care and notes**

Small measures keep the badge looking its best and ensure safe wear on uniforms.

- Clean with a soft, dry cloth; avoid abrasive cleaners or strong chemicals.
- Attach securely to avoid loss during movement or field use.
- Store dry and separate from other metal items to prevent scratching.
- Available in limited quantities; order promptly if you need one for a specific event or collection.

## FAQ

**Q:** What are the badge dimensions?

**A:** The badge measures 6.8 x 2.3 cm, a compact size designed for placement on standard uniforms.

**Q:** What material is the badge made of?

**A:** It is made of gold-toned metal for a durable, polished appearance without claiming any specific

plating or certification.

**Q:** Is the badge easy to attach to a uniform?

**A:** Yes. The badge is designed for simple mounting on ordinary service uniforms; follow your unit or department attachment methods.

**Q:** Is this item suitable for active service members?

**A:** It can be used by service members, but you should check local uniform regulations and approval before wearing it on duty clothing.

**Q:** Is this badge intended only for collectors?

**A:** No. It is suitable for collectors, reenactors, and anyone seeking a period-style tactical or military surplus insignia for display or approved wear.

**Q:** How many units are available?

**A:** Stock is limited. If you need the badge for an event or your collection, we recommend purchasing soon.

**Tip:** Choose the correct badge size for your uniform and check related tactical and military surplus items in our catalog to complete your display or ceremonial kit.
