- **Updates:** Automatic updates keep protections current with minimal user action.
- **Installation:** Quick, user-friendly installation suitable for single users and IT deployment.
- **Impact:** Designed to run discreetly with low impact on device performance.

Product description:

Product overview

The Patch Ricamato "Sicurezza Sussidiaria" is an embroidered identification badge designed for licensed guardie giurate working in auxiliary security services. Definition: a stitched patch with

hook-and-loop backing meant to identify security personnel on duty.

This badge combines durable materials, a distinctive golden-eagle design and a rear velcro panel for quick attachment to uniforms, polo shirts, work suits and bags. It is suitable for tactical, security and duty use where clear identification is required.

Main features

Key product details at a glance:

- **High-quality embroidery**: Detailed stitching on a black background for clear contrast and long wear.
- **Size**: 9 cm height x 4.5 cm width—compact and suitable for chest or sleeve placement.
- **Distinctive design**: Golden eagle with a framed plate reading “SICUREZZA SUSSIDIARIA”, reflecting the role and formality of the badge.
- **Hook-and-loop backing**: Velcro on the rear for secure attachment and easy removal.
- **Durable construction**: Built for regular operational use in tactical and security environments.

How to use / When it’s useful

Apply the patch by pressing the velcro surface onto the corresponding loop field on your uniform, polo, coverall or bag. It is intended to identify guardie giurate during daily shifts and operational duties.

Quick answer: attach to a velcro-ready spot on garments or accessories for instant identification. In most cases, the patch is used by certified guardie giurate on duty in public or private premises to show official affiliation and support security operations.

Care and notes

Simple care and important notes for correct use:

- Remove or secure the patch before machine washing garments to protect stitching and velcro.
- Avoid ironing directly over the embroidered area; apply heat to the garment only after removing the patch.
- Intended for use by certified **guardie giurate** only; wearing the badge is reserved to authorized personnel.
- Check velcro attachment regularly to ensure the patch stays firmly in place during duty.

FAQ

Q: Who can buy the Patch Ricamato "Sicurezza Sussidiaria"?

A: Anyone may purchase the patch, but its use is reserved for certified **guardie giurate** on duty. This preserves the badge's official meaning and integrity.

Q: What are the patch dimensions?

A: The patch measures 9 cm in height and 4.5 cm in width, a compact size suitable for uniforms, polos and tactical clothing.

Q: How do I attach the patch to my uniform?

A: The patch has velcro on the back; press it firmly onto a loop field on the garment or accessory for a secure fit and easy removal.

Q: Is the patch durable for regular duty use?

A: Yes. The embroidered construction on a sturdy black background is made for repeated use in operational conditions, though normal care extends its life.

Q: Can I use this patch on bags or backpacks?

A: Yes. The velcro backing allows application to bags and backpacks that have a loop field, providing clear identification of your security role.

Q: Where can I buy this patch?

A: The patch is offered through authorised suppliers such as Tutto Militare and similar retailers specialising in military surplus and police equipment.

Tip: Choose the correct placement and check the velcro field on your uniform before purchase; consider browsing related tactical and duty accessories to complete your kit.
