Product overview

The Grado Velcro Capitano Aeronautica Militare is a Velcro-backed rank patch made for the Captain (Capitano) rank of the Italian Aeronautica Militare. It is intended for service members who wear flight suits and for licensed collectors of military items.

Definition: a thermowelded plastic rank badge on blue cloth with a Velcro rear, representing the

Capitano rank for flight and duty use.

Main features

Designed for durability and clear rank identification on flight suits and duty clothing.

- **Materials:** Thermowelded plastic on sturdy blue cloth with Velcro backing.
- **Design:** Gold lozenge above two gold bars for the Capitano rank.
- **Easy fit:** Velcro rear allows quick attachment and removal from flight suits.
- **Size:** 5 cm width x 6 cm height for optimal visibility.
- **Availability:** Reserved for Aeronautica Militare personnel and verified collectors; limited quantities.

How to use / When it’s useful

Quick answer: attach the patch to the designated Velcro area on your flight suit or uniform. It is intended to display the Capitano rank clearly during duty and flight operations.

In most cases, buyers must submit proof of service or collector licensing before purchase. The patch is also suitable for tactical gear displays and military surplus collections where accurate rank insignia are required.

Care and notes

Basic care keeps the patch legible and intact; follow verification rules for purchase.

- Wipe clean with a damp cloth; avoid abrasive cleaners.
- Avoid direct ironing or high heat on the plastic surface.
- Store flat to prevent creasing of the cloth backing.
- Sale restricted: proof of military ID or barracks delivery address is required; collectors must provide the prefettizia (art. 28 TULPS).

FAQ

Q: Who can purchase the Grado Velcro Capitano Aeronautica Militare?

A: Purchase is reserved for Aeronautica Militare personnel and collectors with a valid prefettizia under art. 28 TULPS. Verification is completed by our staff before sale.

Q: What are the patch dimensions?

A: The patch measures 5 cm in width and 6 cm in height, sized for good visibility on flight suits and duty uniforms.

Q: How is the patch attached to the uniform?

A: It has a Velcro rear that allows quick application and removal from the Velcro panel on flight suits or other compatible garments.

Q: What materials are used in the badge?

A: The badge is thermowelded plastic on blue cloth with a Velcro backing; the visible elements are a gold lozenge above two gold bars representing the Capitano rank.

Q: Can I buy this without military ID?

A: No. Orders require submission of a copy of military ID or the barracks address for delivery. Collectors must submit the prefettizia for verification.

Q: Is this item suitable for tactical or military surplus collections?

A: Yes. It is suitable for display in tactical gear collections and military surplus assortments where accurate rank insignia are needed.

Tip: Choose the correct patch and confirm delivery details at checkout; check related tactical and military surplus items to complete flight-duty or display kits.
