Product short description:

The Sottocamicia Anti Proiettile III A is a discreet bulletproof undershirt for security professionals and anyone who needs reliable everyday protection with minimal bulk.

- **Material:** Advanced lightweight materials provide strength and reduced weight for comfortable daily wear.
- **Protection:** Ballistic protection Level III A in a low-profile design to be worn under clothing.
- **Fit:** Slim, low-profile cut with flexible construction for full mobility, comfort and easy layering.
- **Use:** Suitable for security personnel, plainclothes officers and civilians seeking discreet daily protection.

Product description:

Product overview

The CH Thor 2 Tye III-A Concealable Bulletproof Undershirt in black is a slim, wearable protective garment for civilians, security personnel, and police officers who need discreet ballistic protection under clothing. It is a lightweight undershirt designed to reduce visibility while providing

certified soft-armor protection.

Definition: a concealable undershirt with certified III-A ballistic protection for everyday or duty use. Supplies are limited; delivery is 15–20 days from order.

Main features

Designed for discreet wear, comfort and reliable protection in everyday or professional settings.

- **Certified Level III-A protection:** Offers certified soft-armor protection against common ballistic threats.
- **Concealable design:** Thin, form-fitting cut to be worn under regular clothing without being visible.
- **Breathable and flexible:** Made with materials that support comfort during long periods of wear.
- **Easy to wear:** Simple on/off design suited for daily use or duty rotations.
- **Durable construction:** Built to resist wear and retain protective performance over time.

How to use / When it’s useful

Wear the undershirt directly under your outer garments for concealed protection during travel, patrol, plainclothes assignments, or personal use. It works as a discreet layer of soft armor for people who need protection without bulk.

Quick answer: use it whenever you want concealed ballistic protection under clothing.
In most cases, pairing it with regular uniform or casual wear provides protection without limiting mobility.

Care and notes

Follow the manufacturer’s care label included with the product and inspect the vest regularly for signs of wear or damage.

- Follow included washing and care instructions exactly.
- Avoid high heat when drying; store flat or on a hanger to maintain shape.
- Inspect panels and seams regularly; replace if damaged or after manufacturer-recommended service life.
- Supply is limited — delivery time is 15–20 days from order.

FAQ

Q: What level of protection does this undershirt provide?

A: The CH Thor 2 Tye III-A is certified to protection level III-A, intended to stop many common

handgun threats. It is soft armor, not rated for rifle calibers.

Q: Can I wear it all day comfortably?

A: Yes. The undershirt is made from breathable, flexible materials designed for extended wear and everyday comfort during long shifts or travel.

Q: How long does it take to receive the product after ordering?

A: Delivery is 15–20 days from the date of order. Availability may be limited, so allow for this lead time when planning a purchase.

Q: Will the undershirt show under my clothes?

A: No, the design is slim and low-profile so it can be worn under most types of clothing without being visible.

Q: Is it easy to put on and remove?

A: Yes, it is designed for everyday use with a simple, easy-to-wear cut that allows quick donning and doffing when needed.

Q: How do I maintain the protective properties?

A: Maintain protection by following the manufacturer’s care instructions, avoiding damage, and replacing the garment if panels are compromised or reach the end of service life.

Tip: Choose the correct size and variant for optimal concealment and coverage; check sizing carefully before ordering and browse related tactical and police duty items to complete your setup.
