Product overview

The Grado Velcro Tenente Esercito is a low-visibility velcro rank patch made for personnel of the Esercito Italiano and the Corpo Militare della Croce Rossa. It shows the Tenente rank as two five-point stars on an olive-green background and is designed for use on olive-green t-shirts or polo shirts.

Definition: a velcro rank patch identifying the rank of Tenente. This patch is intended for military use and licensed collectors and fits tactical, military surplus, and duty uniform applications.

Main features

Key details that matter for field use, uniforms, or a collector’s display.

- **Low-visibility design:** olive-green background with two five-point stars aligned horizontally.
- **Velcro attachment:** fast and removable for quick changes between shirts or uniforms.
- **Durable construction:** made to resist normal wear and handling.
- **Clear dimensions:** 6.5 cm width x 5 cm height for balanced visibility without bulk.
- **Intended users:** reserved for Esercito Italiano personnel, Corpo Militare Croce Rossa, and licensed collectors.
- **Fits:** designed for olive-green t-shirts and polo shirts used in duty or tactical settings.

How to use / When it’s useful

Apply the patch to the designated velcro area on your olive-green shirt or polo. The velcro backing allows quick attachment and removal for changing roles or laundering.

Quick answer: attach to the shirt’s velcro panel for immediate use. In most cases, this patch is used on duty or training garments, field kits, or by verified collectors for display.

Care and notes

Basic care helps preserve the patch’s appearance and velcro performance.

- Secure the velcro before laundering garments to reduce wear.
- Avoid direct ironing on the patch and strong chemical solvents.
- Store flat or fasten the hook-and-loop to a backing to protect the surface.
- Purchase and delivery are subject to verification; see purchase requirements below.

FAQ

Q: Who can buy the Grado Velcro Tenente Esercito?

A: Sales are reserved for Esercito Italiano personnel and Corpo Militare della Croce Rossa, and for collectors who hold a valid prefettizia license under art. 28 TULPS.

Q: What are the patch dimensions?

A: The patch measures 6.5 cm wide by 5 cm high, sized for clear visibility on shirts and polo uniforms without being bulky.

Q: How is the patch attached?

A: It uses a velcro (hook-and-loop) backing for fast, secure attachment and easy removal on compatible clothing panels.

Q: Can I buy this patch without military ID?

A: No. Purchase requires submission of military ID or specifying the serving barracks as the delivery address so staff can verify eligibility before enabling purchase.

Q: What materials is the patch made from?

A: The patch is made from quality materials designed for durability; no specific fabric certifications are claimed beyond general durability and resistance to normal use.

Q: What do collectors need to provide to buy this item?

A: Collectors must provide a copy of the prefettizia license required by art. 28 TULPS for verification before purchase is approved.

Tip: Choose the correct variant and size for your uniform panel before checkout, and browse related tactical and duty items to complete your kit or collection.
