Product overview

The Pendaglio Sottufficiali Esercito Carabinieri is a safety pendant designed for non-commissioned officers of the Italian Army and the Carabinieri who carry a ceremonial or duty saber. It secures the scabbard to the wearer’s belt to prevent the saber from falling.

Definition: a pendaglio is a belt-mounted saber strap that anchors the scabbard to the trousers. Suitable for tactical, military surplus, duty and police uniform use where a secure, professional appearance is required.

Main features

Built from traditional ribbon and metal hardware, this pendaglio combines durability with a formal look suitable for ceremonial and daily duty use.

- **High-quality ribbon:** Turquoise silk ribbon with black-stitched edges and a woven gold stripe at the center for an elegant finish.
- **Nickel-plated metal hardware:** Double buckles, carabiners and chain made in nickel-plated metal for robustness and good corrosion resistance.
- **Quick attachment:** Two carabiners attach to the scabbard rings for fast, secure fitting.
- **Secure anchoring:** Designed to anchor the scabbard to the trouser belt and reduce the risk of the saber falling.
- **Professional appearance:** Ribbon design adds a refined, uniformed look appropriate for Army and Carabinieri duties.
- **Wide compatibility:** Made to fit most sabers commonly used by NCOs in the Army and the

Carabinieri.

How to use / When it’s useful

Quick answer: attach the two carabiners to the rings on the scabbard and secure the other end to your belt—no special tools required. Use it whenever you need to keep the saber anchored during movement, parades, or duty.

In most cases, the pendaglio is used for formal ceremonies, honor guards and routine duty where a secure, tidy saber attachment is needed. It is practical for military, police and tactical uniform needs while maintaining a polished appearance.

Care and notes

Basic care keeps the pendaglio looking and performing well over time; follow these simple guidelines.

- Wipe the ribbon with a soft, dry cloth to remove dust; avoid machine washing.
- Clean metal parts with a soft cloth; nickel plating offers good corrosion resistance but avoid prolonged exposure to saltwater or harsh chemicals.
- Check fit before use to ensure the carabiners match your scabbard rings and belt attachment points.
- Store in a dry place to preserve ribbon appearance and metal finish.

FAQ

Q: Is this pendaglio compatible with all sabers?

A: It is designed to be compatible with most sabers used by Army NCOs and Carabinieri. Verify that your scabbard rings accept standard carabiner clips before purchase.

Q: How do the carabiners attach to the scabbard?

A: The two nickel-plated carabiners clip quickly onto the scabbard rings and can be secured to the trouser belt for reliable anchoring during wear.

Q: Is the metal resistant to corrosion?

A: The hardware is nickel-plated, which provides good resistance to corrosion under normal use. Avoid prolonged exposure to saltwater and strong chemicals to maintain the finish.

Q: Is the silk ribbon durable?

A: The turquoise silk ribbon is designed with black-stitched edges and a woven gold stripe for

durability and a neat appearance when used for ceremonial or duty purposes.

Q: Can I use this pendaglio with other uniforms?

A: Yes, while it is intended for Army NCOs and Carabinieri, it can be used with other uniforms that require a saber safety strap, provided the scabbard and belt attachments are compatible.

Q: Are there different sizes or variants available?

A: Check the product listing for available variants; confirm the carabiner size and ribbon length fit your saber scabbard and belt before ordering.

Tip: Choose the variant that best matches your scabbard ring size and uniform requirements, and browse related tactical and military surplus accessories to complete your ceremonial or duty kit.
