Product short description:

The Nastrino Merito Esercito Bronzo is a bronze army merit ribbon that honors notable dedication and service. Suitable for wear on uniforms or formal dress, it also appeals to military collectors and history enthusiasts.

- **Material:** High-quality fabric construction for a neat, well-made appearance.
- **Finish:** Distinctive bronze tone designed to complement uniforms and formal attire.
- **Use:** A ribbon of merit meant to recognise service, commitment and noteworthy actions.
- **Ideal for:** Collectors, reenactors, and anyone commemorating military history or special service moments.

Product description:

Product overview

The **Nastrino Merito Esercito Bronzo** is a 37 mm bronze merit ribbon awarded to recognize notable contributions to the development and prestige of the Esercito italiano. It is intended for institutions, personnel, and collectors who need an official-looking ribbon for ceremonial display or uniform presentation.

Definition: a 37 mm military merit ribbon issued to mark distinguished service or support to the

Esercito italiano. Suitable for military surplus shops, tactical displays, and duty/regalia use.

Main features

Official-style ribbon available in standard and refined finishes, with selectable attachment options to match mounting needs.

- **Regulation flat format**: conforms to the standard flat ribbon profile used for official presentation.
- **Elite variant**: slightly domed finish (Elite) for a cleaner, upscale look.
- **Attachment options**: choose rear clamp (morsetti) or screw fittings (viti) from the selector for secure mounting.
- **Standard size**: only available in the 37 mm width used for military ribbons.
- **Multi-ribbon holders**: compatible with two-or-more slot metal ribbon bars (portanastrini) for grouped display.

How to use / When it’s useful

Use the **Nastrino Merito Esercito Bronzo** on dress uniforms, display boards, or collector presentations where official recognition ribbons are required. It can be mounted singly or grouped with other ribbons on a metal ribbon bar for ceremonies or collections.

Quick answer: this ribbon is for formal recognition display and uniform use where appropriate. In most cases, choose the attachment type that matches your ribbon bar or uniform mounting method to ensure a secure fit.

Care and notes

Keep the ribbon clean and store it flat to preserve shape; choose the correct attachment and variant before ordering. Availability may be limited due to demand.

- Handle by edges to avoid soiling; spot-clean with a soft, dry cloth.
- Select clamps or screws according to the metal ribbon holder you use.
- Only available in 37 mm width—confirm this size fits your mounting system.
- Supply can be limited; order promptly if you need a specific variant or multiple pieces.

FAQ

Q: What size is the Nastrino Merito Esercito Bronzo?

A: The ribbon is available in the standard 37 mm width used for military ribbons.

Q: Can I choose the type of attachment?

A: Yes. You can select rear clamps (morsetti) or screw fittings (viti) from the product options to match your mounting method.

Q: Is there a more refined finish available?

A: Yes. An Elite variant with a slightly domed finish is offered for a more polished appearance.

Q: Can I mount this ribbon on a multi-ribbon holder?

A: Yes. The ribbon fits two-or-more slot metal ribbon bars (portanastrini) for grouped displays or ceremony use.

Q: Is this ribbon compliant with official formats?

A: The product is offered in the regulation flat format commonly used for official ribbons and also in the Elite variant.

Q: What does this ribbon recognize?

A: It denotes merit for notable, effective contributions to enterprises or studies that enhance the development and prestige of the Esercito italiano, per the referenced recognition practice.

Tip: Choose the correct attachment type and the Elite or flat variant before checkout, and consider browsing related ribbons and ribbon bars to complete a uniform or display set.
