- **Use:** Ideal for sewing, crafting, gift wrapping and display.
- **Design:** Compact, space-saving layout that keeps ribbons within reach.
- **Audience:** Suited to DIY enthusiasts, crafters and professionals who value order.

Product description:

Product overview

The Porta Nastrini 11 Posti is a metal ribbon bar designed for service members, police, ceremonial units, and collectors who need a neat, professional display for ribbons. It holds up to eleven ribbons and is suitable for tactical, duty, and military surplus use.

Definition: A ribbon bar is a metal holder that organizes and displays service ribbons for uniform wear or storage. Built from durable metal, this holder offers a clean, professional appearance and is available with two attachment options.

Main features

Key features at a glance:

- **Durable metal construction** for long service life and a professional finish.
- **Holds 11 ribbons** in a single compact bar.
- **Two attachment options**: quick clip (morsetti) or screw-mounted for added security.
- **Compatible sizes**: fits 37 mm and 20 mm ribbons.
- **Secure fit** that keeps ribbons aligned and ready to wear.

How to use / When it’s useful

Quick answer: Use the Porta Nastrini 11 Posti to organize and display up to eleven service ribbons on dress uniforms, display cases, or during transport. In most cases, choose the clip attachment for easy removal and the screw option for a more permanent, secure fit.

This ribbon bar is useful for ceremonial duties, inspections, collectors arranging displays, and units that need a compact way to carry multiple ribbons. Select the ribbon format (37 mm or 20 mm) that matches your existing ribbons before ordering.

Care and notes

Simple care keeps the holder looking professional and working reliably:

- Wipe clean with a soft, dry cloth; avoid harsh solvents or abrasive cleaners.
- Check clips or screws periodically to ensure ribbons remain secure.
- Choose the correct ribbon size (37 mm or 20 mm) and attachment type when ordering to avoid fit issues.
- Availability can be limited; order sooner if you need the item for an upcoming event.

FAQ

Q: What material is the Porta Nastrini 11 Posti made from?

A: It is made of robust metal designed for durability and a professional look. The finish is intended for regular uniform use.

Q: How do I choose between clips and screws?

A: Clips are quick to attach and remove for flexible use. Screws provide a firmer, more

permanent mounting when you need extra stability.

Q: Will it fit my ribbons?

A: The bar is compatible with two common ribbon sizes: 37 mm and 20 mm. Select the matching size when ordering to ensure proper fit.

Q: How long does shipping take?

A: Shipping times vary by location. The store offers expedited shipping options; check the checkout choices for available delivery speeds.

Q: Can I return the ribbon bar if it does not meet my needs?

A: Yes, a return policy is available. Review the seller’s returns terms on the purchase page or contact customer service for details.

Q: Where can I buy this product?

A: The Porta Nastrini 11 Posti is sold through the Tutto Militare e-commerce site. Use the product dropdown to choose attachment type and ribbon format before adding to your cart.

Tip: Before checkout, confirm the ribbon size (37 mm or 20 mm) and pick the attachment (clip or screws) that suits your use; also browse related tactical and military surplus accessories to complete your uniform setup.
