How to use / When it’s useful

Quick answer: Use this ribbon for uniform ribbon bars, medal repairs, museum displays, or as part of a military surplus collection. It is suitable for collectors, ceremonial duty, police displays, and tactical memorabilia.

In most cases, authorized personnel will mount the ribbon on a ribbon bar using the chosen clamp or screw fitting; collectors and dealers often buy loose ribbon for custom mounting or replacements. Check your service dress rules before wearing it on an official uniform.

Care and notes

Basic care keeps the ribbon looking its best and preserves color and weave for display or wear.

- Store flat or rolled loosely to avoid creases and preserve the Elite shape.
- Keep dry and avoid prolonged exposure to direct sunlight to reduce fading.
- Do not machine wash; spot clean gently if needed.
- Note: Purchasing the ribbon does not by itself grant entitlement to official wear—follow your service or organizational regulations.
