Product short description:

Tubolari Neri Bordo Giallo are versatile black tubular accessories with a vivid yellow edge, designed for those who want a practical, stylish addition to sport or casual wear. Made from high-quality materials, they provide comfort and reliable wear for everyday use.

- **Material:** High-quality materials for comfortable, long-lasting wear.
- **Use:** Suitable for sports, casual outfits and everyday layering.
- **Style:** Elegant black base with a bright yellow border for a distinctive accent.
- **Fit:** Tubular design adapts easily to different garments and uses.

Product description:

Product overview

This product is a pair of black tubular patches with a yellow edge, designed for GPG uniforms and suitable for tactical, duty, police and military surplus use. It is made for officers and security personnel who need a simple, professional insignia for shirts, sweaters or jackets.

Definition: A pair of plastic-coated fabric tubular patches (5.5 cm wide × 9 cm high) with a 3 mm yellow border, trapezoid-shaped for clear visibility on standard uniforms.

Main features

Clean, durable design built for everyday uniform use; practical size and high-contrast edging for easy recognition.

- **Material:** plastic-coated fabric for increased resistance to wear.
- **Color:** deep black with a 3 mm yellow border for visibility.
- **Dimensions:** 5.5 cm width × 9 cm height (pair).
- **Shape:** trapezoid format fits most GPG shirts, sweaters and jackets.
- **Use:** designed to be fixed securely to uniform garments.

How to use / When it’s useful

Quick answer: attach the tubular patches to your shirt, sweater or jacket where your uniform requires them, keeping them aligned and secured. In most cases, they slide or sew onto the garment depending on the uniform design.

These patches are useful for routine duty, patrols and formal uniform presentation where a clear black-and-yellow insignia is required. They help maintain a consistent professional appearance across tactical and police uniforms.

Care and notes

Minimal care required; keep patches clean and avoid prolonged exposure to abrasive chemicals or extreme heat to preserve the plastic coating.

- Wipe clean with a damp cloth and mild soap when needed.
- Avoid machine washing or high-heat drying if attached permanently to delicate fabrics.
- Check attachment regularly to ensure patches remain firmly in place.

FAQ

Q: Are these tubular patches suitable for all GPG uniforms?

A: Yes. They are designed to fit most GPG shirts, sweaters and jackets, but check your uniform attachment method for best fit.

Q: How do I attach the patches?

A: Attachment is simple: they can be slipped on, sewn or fixed according to your uniform’s existing loops or fastening method. Ensure alignment for a tidy appearance.

Q: What material are the patches made of?

A: The patches are made of plastic-coated fabric, chosen to resist daily wear and maintain a clean look.

Q: What are the exact dimensions?

A: Each tubular patch measures 5.5 cm in width and 9 cm in height; sold as a pair in a trapezoid shape for good visibility.

Q: Are they durable for everyday duty use?

A: Yes. The plastic coating improves durability in regular use, though care should be taken to avoid harsh chemicals and excessive heat.

Q: Can I use these on non-uniform clothing?

A: Yes. They can be applied to similar garments such as jackets or sweaters, but ensure the attachment method and fabric compatibility before permanent fixing.

Tip: Choose the correct placement and check attachment options (slip-on, sew or fasten) for your uniform; consider browsing matching uniform accessories to complete your GPG or tactical kit.
