Product overview

The Fregio Basco Fanteria Meccanizzata is a metal beret badge made for members of the Fanteria Meccanizzata of the Esercito. It is intended for service use on the beret and for formal or ceremonial wear by authorized personnel.

Definition: A fregio (beret badge) is a metal insignia worn on the beret to show unit affiliation. This item combines a burnished silver finish with a secure rear prong fastener for reliable wear. Keywords: tactical insignia, military surplus-style badge, duty emblem.

Main features

Compact, durable and clearly identifiable, this fregio reproduces the unit symbols in a polished circular mount. Key features include:

- **High-quality material:** burnished silver-plated metal for a durable, refined look.
- **Detailed design:** polished circular mount with a flaming grenade, two crossed rifles and a tank at the base.
- **Ideal size:** 5.5 cm diameter — sized for clear visibility on the beret.
- **Secure fastening:** rear prong fastener (piccaglia) designed to hold the badge firmly in place.
- **Reserved product:** sale limited to Esercito members and subject to verification.

How to use / When it’s useful

Quick answer: attach the fregio to your beret using the rear prong fastener so the badge sits centered and stable. In most cases, the badge is used on service and ceremonial berets by members of the Fanteria Meccanizzata.

The badge also serves well for official displays or uniform inspections where unit identification is required. Follow your unit’s dress regulations for exact placement and any additional mounting instructions.

Care and notes

Keep the fregio looking its best with simple care and observe the purchase conditions below.

- Handle gently to avoid scratches; clean with a soft, dry cloth — avoid abrasive cleaners.
- Sale is reserved to Esercito members; purchase requires submission of a copy of your service ID (tesserino) or delivery to your barracks for verification.
- Availability is limited and subject to verification before the purchase filter is removed.

FAQ

Q: Who can purchase the Fregio Basco Fanteria Meccanizzata?

A: Only members of the Esercito can purchase this fregio. The sale requires verification via a copy of the tesserino or a verified barracks delivery address.

Q: What are the fregio dimensions?

A: The badge measures 5.5 cm in diameter, sized for clear visibility when worn on the beret.

Q: How is the fregio attached to the beret?

A: It uses a rear prong fastener (piccaglia) that secures the badge to the beret fabric and keeps it in place during wear.

Q: What material is the fregio made of?

A: The fregio is made from burnished silver-plated metal, chosen for durability and a neat, professional appearance.

Q: Can I buy the fregio without verification?

A: No. Purchase is conditional on verification of membership in the Esercito. You must submit a copy of your tesserino or use your barracks as the delivery address for confirmation.

Q: Is this fregio suitable for tactical or duty uniforms?

A: The badge is designed for beret wear and formal service use. Follow your unit’s regulations to confirm whether it is authorized for specific duty or tactical uniforms.

Tip: Choose the correct badge and confirm delivery to your unit if required. Check related tactical insignia and uniform accessories to complete your set while ensuring you meet the verification requirements before purchase.
